Adds/Drops Schedule for Office of the Enrollment Services

Adds:

- Convene and Modules: Students may select modules courses up to seven weeks prior to the beginning of module without faculty permission. After Course work has begun, students must have faculty permission in order to enroll in module courses.
- Online: Students may select online courses without permission prior to the first day of online courses. Students may be added during the first week of the course, but they must have faculty permission. Students will not be added after the first week of online courses.
- Block & Hourly: Students may add block and hourly courses two weeks into the semester. Students will not be added after the last day to add Block & Hourly courses.
- Request to Add or Drop Courses forms are available in the Office of Enrollment Services or <http://www.nts.edu/nts-resources/registrar-forms/>.

Drops/Withdrawal from Courses (Ws):

- Convene, Module, Online, Block, Hourly Courses: A Drop is removal of a course from a student's transcript anytime during the 100% refund schedule. During the 75% - 0% refund schedule, students will receive Ws when withdrawing from a course. On the first day of 0% Refund Schedule until the last day to withdraw from a course, students will receive Ws. No credit will be assigned for the course. The W will not affect the student's grade point average. The Faculty member must sign the Request to Add or Drop Courses form and assign the W in order for the form to be processed by the Office of Enrollment Services.
- Drops/Withdrawals are effective only after the completed form is processed by the Office of Enrollment Services.
- Refund Schedule: The percentage of tuition returned to student based upon the refund schedule is provided by the Business Office. Refund schedules are available in the Student Accounts Office, Office of Enrollment Services, and in the NTS Catalog.
