18th February 2015

Dear Parents,

Due to the success of Mathletics over the past few years the school has decided to continue with this program in 2015.

Mathletics – a web based mathematics resource – has become an integral part of the classroom curriculum program in all grades. It has also formed a valuable homework opportunity for children and families.

The cost for your child’s involvement for the year is $9.00. Please complete the slip below and return to school with your payment by Friday 27th February.

Upon receipt of payment your child will be registered for Mathletics for 2015 – and be issued with a Username and Password providing them access to the website during class time and at home.

If you have any further questions please contact your child’s teacher.

Yours sincerely

Lindsay Reeve
Principal

Mathletics 2015

I enclose $9.00 for my child ________________________________ of Grade __________ to be registered for Mathletics for 2015.
