ART CAPTURE

- ▶ Museum caliber art digital capture includes accurate ICC-compliant color matching
- ▶ Print-on-demand file preparation
- ▶ DVD Archive – \$20. Labeled lightscribe DVD-R archive of client-approved digital file format tiff and jpg, up to three print-on-demand format files. Several art captures could be included up to the completion of DVD's storing space. We do not guarantee data storage, therefore archive DVDs of your files are highly recommended

- ▶ Our studio is custom built around replicating original art. We are trained to handle artwork with respect to the archival standards and are very careful to minimize art manipulation during the digital capture workflow. Following these considerations, we kindly ask our clients to bring to the studio only de-framed original artwork.
- ▶ **Save 20%** by grouping four similar works together (same or closer dimensions and same orientation)
