

# AMAZING OPPORTUNITY!

## CURRENTLY RECRUITING FOR:

Social Media Community Manager

Product Manager, Mobile

**CROSSFIT HEADQUARTERS**

### **CROSSFIT HEADQUARTERS, TRAINING DEPARTMENT, SOCIAL MEDIA COMMUNITY MANAGER**

The Training Department Social Media Community Manager will administer the department's social media promotional and community engagement activities. You will collaborate with Department Directors and the Training Media Manager to generate, curate, organize and post to all CrossFit Training's social media accounts including Facebook, Instagram & Twitter.

### **CROSSFIT HEADQUARTERS, SR PRODUCT MANAGER- MOBILE**

The Senior Product Manager – Mobile is an entrepreneurial, highly analytical, and user-focused professional. You will be responsible for the launching of mobile apps used by millions CrossFit Members daily. Further, you will combine an AB-test-driven approach with a strong design sense and product vision.

**Both roles are full time in CA and relocation assistance is provided!**

## ATTENTION

Are you looking for the job of your dreams working for CrossFit HQ, doing what you love? If you are currently managing a social media platform for a company full time or are a product management expert, in mobile, please send your resume and let's set up a time to chat.
