Take back and review committee’s recommendations.
Send comments and ideas to Bill Snyder. Agree via email on the form of bylaw changes.
Have special meeting or in Atlantic City for the action within 30 day requirement.

(25:26) Ditorris arrival.
Comments and discussion the bylaw committee and proposed changes.
Victor – draft was done in democratic process. One agency – one vote. 3 members, 3 non-trustees.
Does not see reason to make drastic changes to bylaws – including expanding board of trustees to 32 members and the whole voting process. Recommend keeping bylaws in place.
Jack Warren – asked why are we entertaining change? People outside of board influencing?
Sam – Looking to clarify 95 bylaws.
Joe – Disagree and there was discussion
Victor – vote of 4-2 re: 1 agency, 1 vote. That initial premise changed the operations of the organization.
Jack – One thing – how bylaws committee was picked. There was discussion.
Dick – would like to see bylaws committee provide summary of changes.
Bob D – Overview of process that these are recommendations from committee and that suggested changes will be voted on by this committee. Take home and digest. Everyone too nervous about proposal – this committee is still in control.
Lou – 2 sets?
JC – Hope by March meeting, will need special meeting once board has a final draft.
JC – Will send out electronically.
Debbie – tired of whole subject. Not trying to change bylaws. Some points that are in contention – concentrate on those. Agency vote is fairest way to do it. Once pass final draft version, what next?
JC – Explained process and timeline.
Jack – Concern that reputation of board, esp. with Nahro National will be damaged by somebody campaigning for a different set of bylaws that are radical changed from board is trying pass making board seem like “Good Ole Boys” members.

Lou – Does not think a set of bylaws that will go to general membership will be drastically different from 95 bylaws.

Doug – questions regarding procedure to provide responses. How is final version going to be determined?

Discussed Morton’s meeting. Possible attendees should email Bill S if you are attending ASAP.

Discussed Hill visits and possible commissioner’s attending. Should email Bill S if you our your commissioners are attending these meetings.

Discussed auditors – requested email responses from all. There was discussion.
