

NJNAHRO is offering internships to college students who express an interest in the housing and redevelopment field in any capacity. Each internship is for an 8 week period that is to be determined by the hiring agency.

NJNAHRO offers a \$15.00 an hour pay scale. Housing authorities and agencies provide a part of that salary and NJNAHRO subsidizes the difference.

NJNAHRO is committed to recruiting young professionals into the housing industry where they can contribute their skills to maximize the efforts in serving our communities.

Applications must be submitted to:

## NJNAHRO INTERNSHIP PROGRAM 2018

Working to provide safe and affordable housing to the residents of New Jersey

Visit our Website at [www.njnahro.org](http://www.njnahro.org)

NJNAHRO is the NJ Chapter of the National Association of Housing and Redevelopment Officials. The Association serves the state of New Jersey in providing housing and community development needs.

The chapter is committed to bringing young professionals into the field to carry on the work that has been ongoing. Internships are vehicles that attract eligible college graduates into an industry that they may not have originally considered.

This program runs in conjunction with NJNAHRO's scholarship program, in which residents who live in subsidized housing and wish to attend college or vocational school are provided with monetary awards.
