

# Large Field Trips

*Ideal for: Recreation Centers, Schools, Churches  
Day Care Centers, Summer Camps, Home School*

Color Clay Café offers a variety of art activities to complement your own programs. Projects are geared toward different age levels and can be adapted to a variety of themes. We will also design new art programs to meet specific needs. Ask us for details.

Painting sessions are conducted by experienced artists and may be scheduled at your convenience at least a week in advance. The sessions are usually an hour to an hour and a half in length. Prices below apply to groups of 10 or more painters coming to our studio, or 20 or more painters at your site. All materials and studio fees are included for sessions conducted by one of our artists. A \$35 packing/travel fee will be added to sessions conducted by one of our artists at your site.
