

Summer 2019 Camps

The Summer Art Programs are designed to be fun and educational as we explore our world through different media. Favorite things become images in clay and paint. This year we'll do SEVEN new projects in clay sculpting, mosaics, and painting with ceramics, and canvas, along with string art. Many kids find their camp projects make great gifts

Sample projects are on display in our studio. See reverse for description and prices. Campers are asked to bring a lunch or snack and we'll provide a lemonade or fruit punch drink. Register early -- camps are limited to 12 children. Camps with fewer than three could be cancelled 10 days ahead of time. Be sure to include a 2nd choice week. Discounts apply for early registration and for more than one child in a household.
