Trinity United Methodist Preschool and Kindergarten (TUMPS) uses photographic images to:

- Enhance instruction;
- Improve student's motivation;
- Provide a positive image for the student and school;
- Increase safety by creating a picture of the student for student records;
and
- Provide the opportunity for parents to have annual individual and class pictures taken of their children.

TUMPS requires that parental permission be given before student photographs are taken. Therefore the statement below asks your permission to take your student's photograph under the following circumstances.

I (___ grant, _____ deny) permission for my child to be photographed/videotaped and/or interviewed for educational and promotional use by the TUMPS staff. Photos could be used in the TUMPS brochures and/or slide shows and for radio, print and television media.
