

**STATION 1 – REGISTRATION**

Sign-in and receive a station checklist. We will use your contact information to inform you of the upcoming Public Hearing and availability of the Draft EIS document to review.

**STATION 2 – PROJECT CORRIDORS AND EIS PROCESS**

Make sure you pick up an overview handout on the Lafayette Regional Xpressway (LRX). Corridor maps are also distributed here.

**STATION 3 – PURPOSE AND NEED**

Review the purpose and need for the proposed LRX project.

**STATION 4 – CORRIDOR FEATURES**

View the proposed typical section and the features associated with each corridor.

**STATION 5 – ENVIRONMENTAL RESOURCE MAPS**

Review enlarged maps with some environmental resources highlighted.

**STATION 6 – TOLLING LOCATIONS**

Talk with project team members about where tolls will be paid.

**STATION 7 – COMMENTS AND PRELIMINARY ID OF PROPERTY OWNERS!**

Ask project team members questions about the LRX. Take an opportunity to fill out a written comment form or provide verbal record comments. Also review the preliminary list of property owners within each corridor alternative.
