107 Meridian FM is a purely voluntary, not for profit organisation and no remuneration by way of wages or expenses will be made without the prior knowledge and consent of the Management Board, normally confirmed in writing.

By signing this application you agree to abide by the policies and conditions required by 107 Meridian FM in your work with us. It is paramount that every member contributes to raise the standing of the station in the community it serves; swearing, playing explicit lyrics or obvious unfairness in portraying events or people will lead to immediate exclusion.

In cases of application for Full Membership you agree to fully comply with 107 Meridian FM policy concerning working with adolescents. Current practice is that if you are working with adolescents at the station you will undergo a Disclosure and Barring Service clearance. Any non-cooperation in the process will result in refusal of membership or termination of membership in the case of established members.

107 Meridian FM conforms to the data protection Act to protect your anonymity. However it is often useful for fellow members to be able to contact you for station based requests and decisions. To that end we hold a published internal membership contact list. Please state which information you are OK for us to share with your colleagues by ticking the boxes below. (Note you can revise your decisions at any point by contacting admin@meridianfm.co.uk).
