• **Architecture project**

Karen McKinnon and Rick Zurita (PS11 parents) applied and received a grant from Center for Architecture Foundation for a project to introduce children and families to the world of urban architecture. There will be 4 separate events. They had asked that SLT co-sponsor one part: Thu 3/31 event “Architecture and Arroz con Pollo.” This will be discussed at the next meeting.

• **SLT Response to Portfolio Memorandum**

We discussed SLT’s response to the Portfolio Memorandum received by the principal.

• **2010/11 Community Goal: Communication**

Serena Muller wrote up 2nd grade “A Year in a Life of a Second Grader”. We reviewed it and provided feedback. Sami and Karen also wrote drafts of other information that will go into the orientation packet and on the new website. Kristen briefly introduced the potential new website design and content categories. More information to follow.

- **SLT Pay-It-Forward Initiative**

- Sami wrote the grant: SLT members will review and send comments to Sami.
- We will do the project the week of June 13th, 2011 and will discuss details at the future SLT meeting.
