

Clemson Montessori School

FYI
2019

Coming Up:

May 15 - Last day for Scholastic orders this year

May 15 - Wildlife Geeks visit (all classes)

May 24 - Peanut Science Fair

May 24 - Pizza Lunch (Elementary & Peanut)

Elementary: We enjoyed two presentations this week, one from Martha who shared pictures from her trip to the Galapagos, and one from Susan who shared pictures of her trip to Guinea. Monday we're visiting the botanical gardens and will eat lunch there. Please drop your child off at the main entrance between 8:00 and 8:15. Thursday we're spreading some musical joy to our local seniors at Brookdale Central and Clemson Downs. **(Natalie and Judy)**

Peanuts: We created our own special t-shirts for our trip to the Zoo this week. The Peanuts are looking forward to our special luncheon at 1826 Bistro on Friday the 17th. Please remember to drop off your child's car seat. The date for our Science Fair has been changed to Friday the 24th at 1:15 following Pizza Lunch. **(Marjory)**

Primary 1: A big thanks to Muriel's family for sharing items from Australia with our class. We included these items in our continent discussion. We are busy practicing our songs for the end of the year program. **(Marjory and Shannon)**

Primary 2: For the next two weeks our cultural shelf will feature our very own country, state and town, as we hone in on our place in the universe. Have a great Mother's Day weekend! **(Chelsea and Patrick)**

Pre Primary: We have been planting moonflower seeds in our classroom, so some children may come home with sprouts to plant. The moonflower will need a place to climb and will produce very large white fragrant blooms each evening which will be gone by morning. **(Trish & Mary Heyward)**
