Dear Mr Frew

**ENVIRONMENTAL PROTECTION ACT 1990 (AS AMENDED)
WASTE MANAGEMENT LICENSING REGULATIONS 2011
POLLUTION PREVENTION AND CONTROL (SCOTLAND) REGULATIONS 2000 (AS AMENDED)
WASTE MATERIAL LAND ON MAR LODGE ESTATE**

SEPA have received a complaint about waste in the Canadian Camp area. A site inspection showed some fragments of brick and tile etc, a large block of concrete and scrap metal (including a plough) still present on site.

Please ensure that these are removed from site and disposed of at a suitable authorised facility.

Please supply evidence that this has been completed (photographs and copies of transfer notes).

I would be grateful if you could contact me to discuss this.

Yours sincerely
