

## THE TALE OF JEZEBEL

The "Painted Lady", Jezebel,  
An evil Queen of Israel;  
The wife of Ahab, God's word tells;  
She worshipped a false god named Baal.

She led the Israelites astray.  
God's prophets had to hide away.  
But, on Mt. Carmel, one long day,  
God listened when Elijah prayed.

When Naboth wouldn't sell his land,  
The wicked Queen devised a plan.  
And, Naboth perished at her hand.  
A line was drawn upon the sand.

Oh, Jezebel was looking down,  
When Jehu sped into the town.  
She lost her life and lost her crown,  
Dogs gobbled up all that was found!
