A PASSAGE THROUGH THE OLD TESTAMENT

Year One, Quarter Two

From Egypt To Canaan

A PASSAGE THROUGH THE OLD TESTAMENT is designed to take a Bible class all the way through the thirty-nine books of the Old Testament in two years' time. Sacrifices were made to arrange this pace, especially in obscure passages such as some found in the Pentateuch, major prophets and wisdom literature. Topical class books can supplement the cursory study of these books at other times, however, so that no part of God's writ is slighted.
