This information is not kept in permanent records; it must be updated each year.

PERSONAL & CONFIDENTIAL

We want to be sensitive to you and your child. It would be helpful to know any information (unusual shyness, “exuberance,” learning disability, reading difficulty, hearing or visual impairment, ... etc.) that might make your child’s time here more comfortable.

This information will be seen by only the Director of Religious Education and the Catechist.

Also, awareness of a family crisis or an unusual situation will help us to make learning easier for your child.
