We are pleased to support The Myton Hospice so if you’ve got any coppers, or even the silvery ones, we have a collection box behind the bar. We feel that it is important to support the community, and we therefore respectfully ask you to contribute to the community in any way you can. Whether it is a smile for The Big Issue Seller, helping a not-so-young lady across the road, or a penny in the pot, every little action can bring a smile to someone else’s face, and also to your own. If this is not your bag, again we respectfully ask you not to pass on your negative vibes to anyone else, and go and sit in a darkened room and contemplate your selfishness.
