**Yes - our roll continues to grow and yes: we should be on the list of overcrowded schools:** we're officially utilising "118%" of our capacity.

Our Board of Trustees is still working through the process to be able to build an extra space to use as a temporary staff-room (so we can use the existing staff-room as a classroom). We hope to have completed the paperwork and have the application into the Ministry of Education by the end of the term - at the very latest.

As part of making the best of our teaching resources, we are rearranging some of our programmes. This will include changes to some of the music programmes taken by Pauline Scott; details will be sent home with the kids concerned next week.

### 'Snot healthy - at all...

The winter bugs have turned up early this year. There is a head version and a tummy version doing the rounds at the moment. One of them blocks up ears, but not noses; and comes complete with headaches and sore throats. The other sees sufferers needing to keep close to the toilet... really close...for at least a day....often two...

If either bug turns up at your place; **please keep it** on your property. This is one time where sharing is not caring. By all means be greedy and keep the whole thing for yourself and your kids! Do not send your kids back to school until they are completely finished with it. Thanks for your generous assistance!

### Phoenix zone cross-country...

The zone cross-country is to be held at Bluff again this year: on **Tuesday 6th of June**. A notice with all the information has been sent home.

We need parent helpers to help supervise the running of the track, so please consider helping out for the afternoon. If you can help out from 12.00-3.00pm, could you let your classroom teacher know.

We can confirm that through fund-raising the WPPA will fully fund the buses/transport to Bluff so there will be no cost for this trip. For further information and / or questions, please contact [brendadevery@waverleypark.school.nz](mailto:brendadevery@waverleypark.school.nz)

## Pasifika group...

At present, our Pasifika group is sorting the numbers of children who want to be involved. It is our intention to be able to perform for Polyfest. Initially, we are focussed on all Pasifika children plus students in Years 3 to 6. BUT the group will also cater to other Years 1-2 students - once we have the numbers for the older students finalised.

Our first practice is **Wednesday (May 31) 3.15 - 4.30pm**. If, for any reason, you have not received a note; or you specifically want your child to be part of our Pasifika group; please feel free to join us on Wednesday to clarify your child's participation.

## Mid-year interviews...

The afternoons of **June 28 and 29** are your opportunity to have a conversation with your children and their teachers regarding the year's progress to date. While it is still quite a few weeks away, we do understand that booking time off work etc is easier done well in advance. **School will finish at 12.30 on both days.**

**So: to book your time, just go and type in the code cmmsq at <https://www.schoolinterviews.co.nz/> where it says "Enter code."**

You then simply pick your teacher and time and the nice trolls who work the system will automatically send you an e-mail to confirm the details.

If you have any trouble, just contact the nice ladies who work in our office and they'll do it for you.
