

Celebrate Your Child's Birthday With a Uniquely Sweet Party

THEY CAN BE A CHOCOLATIER!!!

After greeting our new chocolatiers in training, our staff assists the young chefs as they wash their hands and put on their aprons. Then we gather in our kitchen for a run down of the menu specials of the day.

First up on the menu...Chocolate Pizza! Each child is given a rice crispie "dough ball" that they roll out on a plate to make their "pizza crust". Then they spread melted milk chocolate "pizza sauce" onto their crust. Next up...lots of pizza toppings!!! Fun stuff like, gummie bears, sour patch kids, M&ms, gummie worms, chocolate chips, swedish fish etc... Let's not forget the "parmesan cheese" shakers filled with rainbow sprinkles and lots of "mozzarella cheese" melted white chocolate in squeeze bottles.

After the chocolate pizzas...we move on as a group to make the Ultimate Smore, smiley face Oreos, marshmallows on a stick and chocolate dipped pretzels. Each of our newly trained chocolatiers will receive a box to pack up and take home their delicious goodies to enjoy later with their families.

When the candy making is done...we play candy bingo for sweet prizes, then the kids enjoy hot dogs, chips and a water bottle. Cupcakes can be supplied by our sister store Somethings Brewing, or you can bring your own. We offer chocolate or vanilla cupcakes, iced with either fudge or vanilla buttercream and topped with your choice of sprinkles. The cost is \$ 1.25 each. Place your order at Uniquely Sweet any time up to two days before the party and we'll have them delivered to the party to save you the trip.

After eating, the parents may use the remaining time to assist the birthday child with opening their presents. We will supply a pre-printed birthday gift list to help you keep track of your child's gifts...makes those thank you notes that much easier!!!

At the end of the party, each child leaves with their box of chocolates, a balloon and a sucker. Goodie bags are available at an extra charge, please inquire for details.

To maintain a schedule, parties need to start and end on time. The candy making is done as a group so...please ask your guests to arrive 10 min early to insure that no child misses out on making any of their goodies.

Due to space restraints, we can not accommodate any children that are not part of the party.
