ADMISSION, OCCUPANCY AND RENTAL POLICY

1.0 INTRODUCTION/PURPOSE

1.1 Purpose of Policy

The purpose of this document is to explain the policies, rules and procedures of the Housing Authority of the Borough of Edgewater, as they relate to the admission of and continued occupancy of residents in public housing. It will also state the rules and procedures employed to calculate rent. This policy complies with the principles in Section 206 of the Housing and Community Development Amendments of 1979, Section 203 of the Housing and Urban Rural Recovery Act of 1983 and the Quality Housing and Work Responsibility Act of 1998.

Whereas it is the policy of the Housing Authority of the Borough of Edgewater to fulfill the stipulations expressed in the U.S. Housing Act of 1937 and all subsequent amendments thereto as enacted by the Housing and Community Development Acts in the operation of all low-income public housing under its administration, and whereas it is the commitment of the Borough of Edgewater, the Housing Authority of the Borough of Edgewater finds it necessary to delineate the admission, continued occupancy and rental policies and practices, and set priorities so as to accomplish its commitment to provide decent, safe and sanitary housing to eligible applicants, and residents in occupancy. It is pursuant to this goal that the Authority establishes the following criteria pertinent to eligibility for admission to its low-income housing developments under its jurisdiction, as well as rules and regulations to determine the calculation of rents. Notwithstanding the above, changes in applicable federal law or regulations as per 24 CFR Part 900 shall supercede provisions in conflict with this policy.

1.2 Fair Housing Policy

In establishing these criteria, the Authority has complied with all regulations of Title VI of the Civil Rights Act of 1964. Title VIII of the Civil Rights Act of 1968, the HUD regulations of May 21, 1984, requirements as outlined in the Public Housing Occupancy Handbook, 7465.1 Rev. dated 10/78 and HUD regulations of May 12, 1988 as outlined in notice PIH 88-16, 7465.1 Rev-2. In an effort to provide a decent home and a suitable living environment which fosters economic and social mobility in the tenant body as a whole, the Authority hereby adopts policies and procedures which embody standards and criteria for tenant selection that takes into consideration the needs of individual families for low-income housing, as well as the statutory purpose in developing and operating socially and financially sound low-income housing developments.

These policies and procedures have been so designed as to avoid concentration of the most economically deprived families in any one of the EHA's low-income housing sites, and preclude admission of applicants whose habits and practices may have a detrimental effect on the health, safety and welfare of the residents. It is the goal of the Authority to attain a stable tenant body comprised of families with a broad range of incomes.

These policies and procedures have been designed in such a way as not to deny admission to any particular group or category or otherwise eligible applicants. They assure the objective and reasonable selection among eligible applicants and are consistent with the Authority's responsibilities as a public body. Finally, they comply with state, local and federal laws and regulations as well as the provisions of the Annual Contributions Contract governing the flow of funds between HUD and the Housing Authority.

1.3 Affirmative Marketing

In the hopes of reaching a broad spectrum of potential applicants, the EHA will affirmatively market its public and assisted housing to the widest audience practicable. Information concerning the public and assisted housing programs shall be disseminated through the local media. This dissemination of information may take the form of press releases or advertisements. The EHA shall assure minority participation by disseminating information in local and area-wide minority publications. In all instances the EHA shall take steps to provide opportunities to households which due to other factors such as race, religion, ethnicity, sex of head of household, age, disability or source of income would be less likely to apply for public and/or assisted housing. The EHA shall be in compliance with the Local Housing Plan of any local, county or state Comprehensive Housing Affordability Strategy (CHAS) pursuant to Section 24 CFR, Part 91, and the CHAS shall have the housing authorities plans incorporated within. Because of our Waiting List priority to all Edgewater Residents and or people working in Edgewater and because of the size of our town of 7500 residents our pool of prospective clients is somewhat limited. We intend to market our programs to all Edgewater Residents in need through word of mouth, postings and advertisement in local papers when in need of expanding our list. When our list need to be expanded to out of town people we will advertise in County wide publications as needed.

2.0 ADMISSIONS POLICY

2.1 Criteria for Admission

following requirements: (note that procedures for the implementation of these criteria are discussed in Section 2.4 and criteria for denial of admission are discussed in Section 3.0 below).

- 2.1.5 In the event, however, that in the course of soliciting relevant information that will help determine the suitability and eligibility of any individual applicant as a potential public housing resident, any unfavorable information is received with respect to the applicant, the Authority shall consider such factors as might indicate a reasonable probability of favorable future conduct or financial prospects such as 1) evidence of rehabilitation or 2) evidence of participation in or willingness to participate in social service or other appropriate counseling service programs offered by the community at large.

However, the above criteria **will not** be employed to deny admission to potential residents on the basis of race, creed, color, national origin, marital status, and other factors enumerated in Title VI of the Civil Rights Act of 1968.

While the Housing Authority envisions itself as being responsive to the community's needs for low-income housing, it cannot accommodate all emergency cases because of limited resources and its obligation to adhere to the standards set forth herein. However, its tenant selection process will aim at achieving these objectives by adhering to the criteria established herein.

2.1.7 Confidentiality. All records concerning an applicant or Tenant are strictly confidential.

 - 1. Pay more than 50% of their income for rent.
 - 2. Live in sub-standard housing.
 - 3. Homeless

2.3 Continued Occupancy Limits

The Housing and Community Development Act of 1974 completely eliminated the concept of continued occupancy income limits for public housing residents.

In addition, the Authority as per Exhibit H has adopted ceiling rental limits. However, if it is determined that a family's income is in excess of the income limits set for new admissions, the Authority will determine whether the family is a family of low-income in accordance with its standards and criteria for continued occupancy. If the Authority determines that the family is not a low-income family, the Authority, as provided in 24CFR Section 860.6, will not commence eviction proceedings or refuse to renew a lease based upon the income of the tenant family unless it has identified for possible rental by the family a unit of

decent, safe and sanitary housing of suitable size available at a rent not exceeding 30% of adjusted income as defined by this policy.

2.4 Related Procedures – Process of Applying for Admission

In order to insure that very low-income families are not discriminated against, it shall be the policy of this Authority to admit not less than 40% of all families with incomes at or below 30% of the area median income in accordance with the Income Targeting provisions of the Quality Housing and Work Responsibility Act of 1998.

The Authority shall obtain a written application signed by a responsible adult member of the family. This application shall set forth all data and information necessary to enable the Authority to determine whether or not the family meets the conditions for admission or continued occupancy.

All applications received shall be dated and maintained in the central office by the tenant selection staff. Each application shall be assigned an appropriate place on a community-wide basis in sequence based upon date the application is received, suitable type and size of unit and factors affecting preference or priority established by the Authority, not inconsistent with the objectives of Title III of the Civil Rights Act of 1964 and the HUD regulations and requirements pursuant thereof.

Eligible families on the waiting list must contact the Authority immediately if any change in family composition, income or factors affecting preference should occur.

Suitable vacancies arising at a given time at any location shall be offered to the eligible applicant first in sequence at such time. If the applicant offered the available apartment refuses based on apartment size, they will be given another choice when one exists. If an applicant refuses an apartment for any reason other than apartment size they will be placed at the bottom of the list.

In addition, any and all forms requiring signature of applicants or tenants that involve contract of stipulations regarding admission and occupancy shall be read and explained to the tenant or applicant prior to signing. The Authority shall supply an applicant who does not read or write the English language with a translator if this is economically feasible.

Management shall develop reasonable procedures for the screening and acceptance of applicants referred from external social service agencies. If tenants are involved in such screening procedures, they shall not receive rent reductions in return for their participation.

The applicant will be required to sign a release allowing the authority to request a copy of a police report from the New Jersey State Police and the Federal Bureau of Investigation if required. In addition, the applicant, if required, will provide fingerprints to the police department for submission to the FBI for check through the National Crime Information Center.

The Authority shall promptly notify any applicant (as per Section 2.6) determined to be ineligible for admission (as per Section 3.0), the basis for such determination and shall provide the applicant, upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on said determination.

When a determination has been made as to the eligibility and satisfaction of all requirements for admission including the tenant selection criteria, the applicant will be notified of the approximate date of occupancy.

The Housing Authority, working in conjunction with social service organizations, the federal government and its various departments, shall commit itself to the development/provision of quality residences in public housing that will attract qualified new tenants, retaining tenants who adhere to standards embodied herein.

Individuals who have a physical impairment, which would prevent them from completing an application in person, may call the Authority to make special arrangement to complete their application. A telecommunications device for the deaf (TDD) is available for the deaf. If the applicant is visually impaired all notices must be in a format understandable by the applicant.

The Authority may from time to time close its waiting list by suspending the acceptance of any new applications for assistance. The Authority will make it known to the general public through the publication in the media of the fact that applications are being suspended. When the Authority determines it is in their best interest to open the waiting list and begin accepting applications again they will publish in the news media an advertisement stating that applications are available.

The advertisement shall contain the following:

- The HA will publish the date applications will be accepted and the location where applications can be completed. If the HA anticipates

suspending the taking of applications after a period of time, the date of acceptance and closing of applications must be published.

- Advise families that applications will be taken at the designated office;
- Briefly describe the Public Housing program; and
- State that applicants for Public Housing must specifically apply for the Public Housing Units and that applicants for Public Housing may also apply for to the Section 8 Program, if applicable, and they will not lose their place on the Public Housing waiting list if they also apply for Section 8 assistance. For this to be applicable the HA must have a Section 8 Program and be accepting applications for Section 8 assistance.

2.5 Non Compliance with Housing Authority Schedule of Appointments and Submission of Documents

An applicant must adhere to all schedules established by the housing authority to review eligibility. An applicant who fails to keep an appointment without notifying the HA and without re-scheduling the appointment shall be sent a notice of termination of the process for failure to supply such certification, release of information or documentation as the HA or HUD determines to be necessary (or failure to allow the HA to inspect the dwelling unit at reasonable times and after reasonable notice, if applicable) in the following situations:

- Complete Application
- Bringing in Verification Information
- Briefing prior to Occupancy
- Leasing Signature
- Inspections
- Recertification
- Interim Adjustment
- Other Appointments or Requirements to Bring in Documentation as Listed in this Plan
- Scheduled Counseling Sessions
- Move-In appointments

Process When Appointment(s) Are Missed: - For most of the functions above, the family may be given two appointments.

If the family does not appear or call to reschedule the appointment(s) required, the

HA may begin termination procedures. The applicant or tenant will be given an opportunity for an informal meeting or hearing, as appropriate pursuant to the grievance process. Only Tenants are afforded a grievance. The grievance procedures do not apply to applicants.

If the representative of the HA and/or Hearing Officer makes a determination in favor of the applicant/tenant, the HA will comply with decision unless the applicable provisions of the Grievance Procedure is applicable to the hearing officers decision.

Letters Mailed to Applicants by the HA: - If an applicant claims they did not receive a letter sent by the Authority which requested information from the applicant or to have them attend an interview, the HA will determine whether the letter was returned to the HA. If the letter was not returned to the HA, the applicant will be assumed to have received the letter.

If the letter was returned to the HA and the applicant can provide evidence that they were living at the address to which the letter was sent, the applicant will be reinstated with the date and time of the application in effect at the time the letter was sent.

Applicants must notify the HA, in writing, if their address changes during the application process.

2.6 Notification of Applicants

The Authority will promptly notify all applicants as to their eligibility or ineligibility as follows:

2.6.1 An eligible applicant will be notified of the approximate date of occupancy insofar as that date can be reasonably determined. If an approximate date cannot be determined, the Authority will inform the applicant of their status on the waiting list and its length.

2.6.2 An ineligible applicant will be notified of the basis for the determination and will be provided upon a written request within ten (10) days after the determination with an opportunity for an informal meeting. The authority will hold this informal meeting within ten (10) days of the request. The person designated by the authority to conduct the informal meeting shall be an impartial person appointed by the authority other than the person who made the initial determination under review. The meeting shall be conducted in accordance with applicable HUD and housing authority rules. The hearing officer shall return a decision within

ten (10) days of the meeting. The housing authority's grievance procedure applies only to residents. It does **not apply** to applicants.

- 2.6.3** The Authority will maintain all applicants' records indicating the final action taken, including applications that have been determined inactive.

2.7 Deconcentration

Section 513 of the Quality Housing and Work Responsibility Act of 1998 makes several amendments to Section 16 with respect to deconcentration of poverty and income targeting. The housing authority will make every effort to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects whenever possible.

The Housing Authority may skip a family on the waiting list specifically to reach another family with a lower or higher income.

2.8 Misrepresentation by the Applicant or Tenant

If an applicant or tenant is found to have made willful misrepresentations at any time which resulted in the applicant or tenant being classified as eligible, when, in fact, they were ineligible, applicant will be declared ineligible and the lease and/or application will be terminated because of the misrepresentation by the applicant/tenant. If such misrepresentation resulted in tenant paying a lower rent than was appropriate, tenant shall be required to pay the difference between the actual payments and the amount, which should have been paid. In justifiable instances, the HA may take such other actions as it deems appropriate, including referring the tenant to the proper authorities for possible criminal prosecution.

3.0 CRITERIA FOR DENIAL OF ADMISSION

Public housing residency is a privilege and not a right. In order to preserve the housing authority's interests and the integrity of the program, the EHA may deny admission to an applicant for the following:

- 3.1** Have demonstrated unsatisfactorily by past performance the ability to pay such monthly rent as would be determined according to the Authority's rent policy.

- 3.2 Have demonstrated through unacceptable references the ability to conduct themselves in a manner that will not impair the environment and/or security of other tenants residing in the development.
- 3.3 Have demonstrated by past performance and behavior that family members are unlikely to obey all rules and regulations as embodied in the tenant's lease, as well as the rules and regulations embodied herein.
- 3.4 Have demonstrated by past behavior that family members will not maintain both the apartment they are seeking to lease as well as the common area of the development in which the apartment is located in a safe, healthy and sanitary condition.
- 3.5 The housing authority will not assist a family if they owe rent; other amounts or have judgements to any housing authority or any other federal subsidized housing program.

- 3.11 If the authority determines that a person is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other Tenants. The authority **may** waive this requirement if:

- 3.11.1** The person demonstrates to the authority's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 3.11.2** Has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3.11.3** Has otherwise been rehabilitated successfully; or
 - 3.11.4** Is participating in a supervised drug or alcohol rehabilitation program.

 - 3.14** Section 2.4. If this information is used to deny admission the authority will provide a copy of the information used in its determination in accordance with the Criminal Records Management Policy.

This list is not to be construed as totally inclusive, and there may be circumstances not listed which may be used for denial of admission if the authority determines that to admit the household or member thereof would have a detrimental affect on the health, safety or right to peaceful enjoyment of the premises by other Tenants.

3.15 Limited Periods of Denial of Admissions

If an applicant is denied admission, it **may** be determined by the authority to only be a limited denial. These timeframes are only a guideline, and may be extended if the authority deems it is in the best interest of the authority and or the Tenants. The timeframe for these denials is as follows:

3.15.1 One Year Limited Denial:

4.0 RENT POLICY

The Total Tenant Payment (Rent) will be the greatest of:

- (a) 30% of family monthly adjusted income
- (b) \$50.00 minimum monthly rent

Tenants will be given a choice of paying the above that applies or a flat rent based on the latest HUD published Fair Market Rent for Bergen County for studio and 1 bedroom apartments

Applicable utility allowance shall be subtracted from the established gross rent. If the allowances for tenant supplied utilities applicable to the family exceeds computed rent, the family will receive a credit from the Authority of the difference.

4.1 Broad Range of Incomes Objective

To accomplish this objective the Authority shall:

- 4.1.1** Ascertain the distribution of income within the community based upon the most recent census or other reliable data on family incomes;
- 4.1.2** Ascertain the distribution of incomes of families on the Authority's waiting list;
- 4.1.3** Ascertain the average operating costs of the project and the average rent required to meet such costs;
- 4.1.4** Ascertain the average rent which would be achieved based upon the incomes of low-income families in accordance with the distribution of incomes of all low-income families in the community's area of operation;
- 4.1.5** Ascertain the average rent which can be achieved based upon the incomes of the families on the waiting list;
- 4.1.6** Utilizing the above information, develop criteria, by preference or otherwise, that will be reasonably calculated to attain the basic objective. The criteria developed will be sufficiently flexible to assure administrative feasibility.

4.2 Rent Collection

Rents are due and owing in advance by the first of each month, payable at the Housing Authority offices. A late charge of \$25.00 will be imposed upon any tenant who fails to pay rent in full by the 5th day of the month. No partial payments will be accepted.

4.3 Security Deposits

All residents of low-income public housing units will be responsible for maintaining with the Housing Authority a security deposit equal to one half month's rent or a \$100 minimum-security deposit. Security deposits will be held in an interest bearing account on behalf of the tenant. In accordance with New

Jersey State law, interest generated on behalf of the tenant in their security deposit account shall be rolled over from year to year. The total security deposit, including all interest, shall be distributed to the resident upon vacating their unit. The security deposit and interest shall have deducted from it any costs for damages, utilities or other outstanding balances.

4.4 Minimum Rent Hardship Exemptions - As per Lease Section 4 (f)

Minimum Rent Hardship Exemptions: The EHA shall grant an exemption from the minimum rent provision to any family making a request in accordance with HA policy in writing that is unable to pay that minimum payment because of financial hardship, which shall include:

- 4.4.1** The family has lost eligibility for, or is awaiting an edibility determination for a federal, state or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the immigration and naturalization act who would be entitled to public health benefits but for Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.
- 4.4.2** The family would be evicted as a result of the implementation of the minimum rent.
- 4.4.3** The income of the family has decreased because of changed circumstances, including loss of employment.
- 4.4.4** A death in the family has occurred which affect the family circumstances.
- 4.4.5** Other circumstances which may be decided by the EHA on a case-by-case basis.

All of the above must be proven by the Tenant providing verifiable information in writing to the EHA prior to the rent being delinquent and before the lease is terminated by the EHA. If Tenant requests a hardship exemption under this section, and the EHA reasonably determines the hardship to be of a temporary nature, exemption shall not be granted during a ninety-day period beginning upon the making of the formal request for the exemption. A Tenant may not be evicted during the ninety-day period for nonpayment of rent. In such a case, the Tenant thereafter demonstrates that the alleged hardship is of a long-term nature and not temporary, the EHA shall retroactively exempt the Tenant from the minimum rent requirement for the ninety-day period past. This paragraph does not restrict nor prohibit the EHA from taking legal action to evict the Tenant for other violations of the lease.

5.0 OCCUPANCY STANDARDS

The following standards will determine the number of bedrooms required to accommodate a family of a given size and will be adhered to in every instance where availability of units permits.

<u># Bedrooms</u>	<u>Minimum # Persons</u>	<u>Maximum # Persons</u>
0	1	2
1	1	2

In the assignment of dwelling units, only persons of the opposite sex who are husband and wife, or where the Authority determines that a “stable relationship” exists, will be allowed to occupy the same bedroom. An exception to this policy will be any case where there are infants and children up to five years of age. In extraordinary cases these standards may be waived (e.g. intergenerational families). Reassignment or transfers to other dwelling units shall be made without regard to race, color, creed or national origin as follows:

- 5.1** Tenants shall not be transferred to a dwelling unit of equal size, except for alleviating hardships as determined by the Board and the Executive Director.

- 5.2** If, per the occupancy standards, the size of the dwelling unit is no longer appropriate to tenant’s needs, that tenant will be required to move to another available unit of appropriate size of tenant’s choice within the project site where the tenant presently resides. If, however, the tenant refuses such appropriate accommodations, their lease may be terminated. In addition, the tenant may be required to vacate the apartment if a Housing Certificate or Voucher is available. The Authority shall employ provisions contained in the lease with respect to moving expenses.

6.0 LEASING OF DWELLING UNITS

A legal head of a family accepted to live in public housing who is 62 years of age or older will be required to sign a lease agreement prior to actual admission. The Executive Director or Housing Manager will also sign the lease with one copy given to the tenant and one copy kept in the Authority’s office. Where a husband and wife are living in a leased apartment together, both are required to sign the lease.

Only those persons listed on the most recent certification form shall be permitted to occupy a dwelling unit unless there is a birth to a family member or an authorized addition by the Authority in writing.

6.1 Visitors

Visitors may be permitted to sleep overnight in a dwelling unit, provided they are reported to the Authority within 48 hours of their arrival or prior thereto. Visits not exceeding 15 days may be authorized. Visitors remaining beyond this period shall be considered trespassers and the tenant shall be guilty of a breach of the lease.

Tenants will not be given permission to allow a former tenant of the Authority who has been evicted to sleep overnight in the unit for any period of time whatsoever.

6.2 Senior Tenants

Each elderly tenant over the age of 62 will be required to have a co-signer whose responsibility will be limited to contact with management in the event of serious illness or death and who will be required to take custody of the tenant's belongings in the event of death and promptly remove them from the apartment so that it may be rented to a new occupant without delay. The Authority will consider evidence of hardship requiring reasonable additional time within which to remove the tenant's belongs following their death. The co-signer shall not be liable for rentals or other charges owed by the elderly tenant to the Authority.

In the event the Authority shall determine a tenant is unfit and unable to govern their affairs and meet their responsibilities under the lease or in the event of the death of a tenant, the personal property must be removed from the unit within 15 days of the date of the Authority's determination of incapacity of the date of death. If the property is not removed, the Authority shall have the right to enter the premises, remove the personal property of said incapacitated or deceased tenant and cause such property to be transported and stored at the sole cost of the estate of said tenant.

6.3 Transfers

Transfers of families from one unit to another shall occur only at the discretion of the Housing Authority.

6.4 Moving/Storage Expenses

The Authority shall not provide a mover at its expense for any tenant moving out of public housing. In addition, the Authority will not reimburse any tenant for any miscellaneous expenses involved with moving from one apartment to another.

When a tenant vacates the apartment, a move-out inspection will be performed. If, during this inspection, it is found that furnishings have been left by the tenant, the costs to remove, store or dispose of these furnishings will be charged to the tenant. The costs will be deducted from any security deposit of that tenant. All charges will be based on an hourly rate for removal and actual rate for storage and/or disposal.

6.5 Interim Re-examinations

During the lease agreement, changes in rent or family composition shall be processed as follows:

- 6.5.1** Changes in rent shall be made by verifying new income and/or family members and executing a rider to the lease. This addendum must be dated and signed by the Authority. A copy will be given to the tenant and the original shall be kept in the Authority's office.
- 6.5.2** Changes in the primary lessee shall cause a new lease to be made for the apartment.
- 6.5.3** If, through any cause, the signer of the lease ceases to be a resident member of the family, the lease will be voided and a new lease executed. A remaining member of the family who can qualify as a lessee will sign this new lease. If, nevertheless, no member is qualified to sign a new lease, the existing lease will be voided and the family will be required to vacate.
- 6.5.4** Cancellation of a tenant's lease will be made in accordance with the provisions of the lease attached hereto.

If, during the tenure of a lease agreement, a tenant requests the addition of a family member to the lease, the Authority will follow the same procedure when reviewing this individual's suitability for the public housing as it follows when reviewing the initial applicant. The review of this individual will include all of the items as outlined in Section 2.0 of the Admissions and Occupancy Policy.

If it is determined that this individual will not be a suitable resident of the public housing, the Authority will notify the family that this individual will not be allowed to reside in the public housing nor be added to the lease. At this point the resident may accept the Authority's decision or terminate their tenancy.

7.0 SMOKING POLICY

Smoking will be prohibited *for all tenants*. This applies, but is not limited to cigarettes, pipes, cigars, tobacco leaves, water pipes (hookahs) etc.

8.0 PARKING POLICY

It is the policy of the Authority to regulate all on-site parking. It is the position of the Authority that all on-site parking is a privilege and is, therefore, granted in accordance with the policy as per Exhibit J. Parking is reserved only for tenants who are listed on the lease. Stickers will be given only to those tenants who present a valid driver's license, registration of the car in their name along with a valid insurance card.

9.0 PET POLICY

It is the purpose of this policy to insure that those residents who desire pets are responsible pet owners; that those residents who do not desire pets are not inconvenienced by pets on the premises; to assure that pets on premises are properly cared for; and that Housing Authority properties remain decent, safe and sanitary and complies to Exhibit K, The Authority Pet Policy.

10.0 ANNUAL RECERTIFICATION

At least once each year, or as requested by the Authority, tenant households must furnish such accurate information regarding family composition, employment and household income as may be necessary to make a determination with respect to rent, eligibility and the appropriateness of the unit size. Required verification may include, but is not limited to, earning reports from employers, copies of state and federal income tax returns of all household members, W-2 forms, bank statements, etc.

Approximately three months prior to a lease renewal date, the Authority will send a notice informing the tenant of the requirements necessary to recertify and renew the lease. An interview must be scheduled and all documentation requested by the Authority must be submitted on or before the first of the month before the lease expires. If, by that date, the tenant has not scheduled an interview nor provided the necessary documents, a notice will be sent to the tenant giving them 10 days to provide the required information in accordance with the lease. The notice will also inform the tenant that failure to provide the required information will result in termination of the lease. If the tenant fails to respond within 10 days, a 30-day Notice to Quit will be sent to the tenant.

The length of time from the date of admission to the date of first recertification may not exceed 12 months according to current federal regulations. Therefore, in order to fit a new tenant into the established schedule, the first regularly scheduled recertification may be conducted in a period of less than 12 months.

The tenant is to be notified in writing of any changes required in rent or unit occupied and of any misrepresentations or lease violations revealed by the recertification and the corrective action that must be taken.

11.0 INSPECTIONS

11.1 Initial Inspection at Move-In

Prior to initial occupancy, the housing authority shall perform a walk-through of the unit to determine its condition at time of move-in. A written inspection report shall be prepared by the housing authority and signed by the Tenant. This inspection report shall document any and all conditions within the unit prior to occupancy.

11.2 Inspection at Move-Out

Prior to move-out, the housing authority and the Tenant shall perform a walk-through of the unit, if possible, to determine its condition at time of move-out. A written inspection report shall be prepared by the housing authority and signed by the Tenant. This inspection report shall document any and all conditions within the unit prior to move-out. Any security deposit shall be used to offset any damages recorded. It is the Tenant's responsibility to pay for any repairs to the unit due to their actions.

11.3 Annual Inspections

At least once a year the housing authority will perform an inspection of the dwelling unit. This inspection will be in accordance with the Housing Quality Standards (HQS), and a copy of the report will be forwarded to the Tenant. Any deficiencies found at the time of the inspection will result in the development of a work order for the repair. If Tenant's negligence or abuse instigated the required repair, the Tenant will be responsible for paying for the repair. A list of all maintenance charges will be provided the Tenant at Lease signing. Tenant will be given at least 48 hours noticing of inspection.

If the inspection indicates that the Tenant has poor housekeeping habits that need to be improved upon, the inspector will file a report and a subsequent meeting will be scheduled with the Tenant to counsel the Tenant on their poor housekeeping habits. A follow-up inspection as outlined in Section 11.5 may be scheduled within 30 days to see

that the deficiencies are corrected. If the Tenant fails to correct the deficiencies, provisions of the lease may be enforced and the tenant evicted.

11.4 Emergency Inspections

If an employee and or contract agent of the authority has reason to believe that an emergency exists within the unit, the unit can be entered without notice. The person(s) that enters the unit must leave a written notice to the Tenant that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

11.5 Random Inspections

The housing authority retains the right to perform random inspections to determine whether or not the Tenant is keeping the unit in a decent, safe and sanitary condition in accordance with the guidelines established by the authority. A copy of the report will be forwarded to the Tenant. Tenant will be given at least 48 hours noticing of inspection.

12.0 INTERIM RECERTIFICATION

If it is not possible, through no fault of the tenant at the time of regular recertification, to determine annual family income with any reasonable degree of accuracy, a temporary determination of income and rent will be made and an interim recertification scheduled for within 30 days. The tenant will be notified in writing of the date of the special recertification.

If a family has income which is not verified and rent cannot be established due to the tenant's failure to submit the required information, the tenant is subject to eviction.

Where there is no family income at the time of recertification (e.g. due to unemployment), a temporary minimum rent of \$50.00 will be established. Recertification will be scheduled every 30 days until such time the family establishes that some form of income and the continued occupancy is resolved consistent with the lease.

Any change in family income or family composition must be reported to the Authority within 10 days of its occurrence. Failure to do so will be grounds to terminate the lease.

Rent will remain in effect for the period between regular rent recertifications unless during such period:

- Tenant can show a change in their circumstances (such as a decline in income) which would justify a reduction in rent pursuant to the Schedule of Rents or such other circumstances as would create a hardship situation.

- Tenant commences to receive public assistance or assistance is terminated.
- It is found that a tenant has misrepresented the facts upon which rent is based so that the rent owed is less than it should be. The increase in rent will be retroactive.

If the required documents are submitted by the 15th of the month, the rent will be adjusted retroactive to the first of the month. If the required documents are submitted after the first of the month, the rent will be adjusted on the first of the month following the recertification.

13.0 TERMINATION OF THE LEASE

See Lease, Section 12. In the event the Authority is forced to institute legal action for eviction, the tenant will be responsible for any legal costs incurred by the Authority. All income is to be annualized if information received is for less than a 12-month basis. It is important to note that changes in family composition and or income must be reported to the Authority within ten (10) days. Failure to do so may result in eviction proceedings. In the case on income adjustments all back rent due and owing will be due within fourteen (14) days from the date the Authority formally notifies the Tenant of the amount due.

Total Tenant Payment (TTP). This amount is the family must pay per month. It may be either the minimum rent of \$ 50.00 or:

- a) For the public housing program, the TTP must be the greater of
 - (1) 30 percent of family monthly adjusted income;
 - (2) 10 percent of family monthly income;
 - (3) \$ 50.00 which is the minimum rent set by the EHA, or
- b) The ceiling rent. The resident may elect the ceiling rent in lieu of the rent calculated in paragraph "a" above.

It is possible for the Tenant to qualify for a utility reimbursement despite the requirement of a minimum rent. If the utility allowance were greater than the minimum rent, the Tenant would receive a reimbursement for tenant purchased utilities.

Unreported Income. If a tenant fails to report income the tenancy will be terminated under the terms of the lease and in accordance with the New Jersey State Statutes. If the act is determined by the Authority to be intentional, the Tenant will be obligated to pay the applicable portion of the rent for any and all unreported income, and may be prosecuted. If the unreported income was unintentional the Authority may approve a repayment agreement which stipulates the schedule of repayments, the amount of the payment, and the consequences if a payment is missed.

Utility Allowance. The cost of utilities (except telephone) and other housing services for an assisted unit is not included in the Tenant Rent, but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by the Authority or

HUD, monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility Reimbursement. The amount, if any, by which the Utility Allowance for a unit, if applicable, exceeds the Total Tenant Payment for the household occupying the unit.

Very Low Income Family. A Lower Income Family who's Annual Income does not exceed 50% of the median income for the area, as determined by HUD, with adjustments for family size. HUD may establish income limits higher or lower than 50% of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes.

Welfare Assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded separately or jointly, by federal, state or local governments.
