2016 ANNUAL REPORT

TO OUR SHAREHOLDERS:

The financial statements of Holly Mortgage Trust (“Holly”), audited by Melton & Melton, L.L.P. for the years ended December 31, 2016 and December 31, 2015, are included at the end of this report. In 2016, revenue increased 91% to \$257,938. Net income was \$76,044, which equates to \$0.05 per share.

Land acquired in foreclosure during 2013 was sold at a profit during 2014 and Holly retained a participation in Hillsborough River Properties, LLC (HRP) through 2015. HRP was dissolved in December 2015 and all of its assets were distributed to its members. Also, included in the expenses for both 2016 and 2015 is the payment of \$96,100 in dividends on Holly’s two classes of convertible preferred stock. All dividends are paid on a current basis. Accounting guidelines require us to report these dividends as interest expense even though they are dividends for federal income tax purposes.

The strength of the Midland, Texas oil-based economy has benefited Holly through its ownership of the general partner in the partnership that owns the Wilco office building. In 2016, Holly recorded income of \$257,938 from this investment and \$85,055 in 2015. The Wilco building is a 22 story office building, with 197,207 rentable square feet and an attached 10 story parking garage.

INVESTMENTS

Holly owns a \$750,000 equity stake (33.7% of total) in North Hills Village, a 152-unit apartment complex in El Paso, Texas near the U.S. Army base of Fort Bliss. Occupancy at December 31, 2016 was 88.82%. Cash distributions to the partners have not commenced. The limited partners are entitled to an 8% preferential return on their invested capital.

Holly owns a 24% interest in Global REIT, LP. Additional capital of \$116,200 was invested in Global REIT, LP during 2016. Global REIT, LP is an entity set up to acquire interests in real estate throughout the world through investments in regional real estate entities. Global REIT's portfolio includes assets in the U.S., Australia, New Zealand, Ghana and Mexico.

CHANGES IN PREFERRED STOCK

During 2014, Holly entered into agreements with its 2004 Series Preferential Shareowners to reduce the dividend rate to 5% per annum. The maturity date has been extended to September 30, 2020. In addition, \$250,000 of the 2004 Series Preferential shares are being redeemed by installment payments at the 5% rate that began in 2015.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trust Managers of
Holly Mortgage Trust

We have audited the accompanying financial statements of Holly Mortgage Trust (the "Trust"), which comprise the balance sheets as of December 31, 2016 and 2015, and the related statements of operations, changes in shareholders' deficit, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

As more fully discussed in Note 2 to the financial statements, the Trust reports its investment in A. R. Goldrick Company, Inc., a wholly owned subsidiary, on the cost method of accounting. In our opinion, accounting principles generally accepted in the United States of America require that a majority-owned subsidiary be accounted for as a consolidated subsidiary. The effects of this departure from accounting principles generally accepted in the United States of America cannot be reasonably estimated.

Qualified Opinion

In our opinion, except for the effects of the matter discussed in the Basis for Qualified Opinion paragraph, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Holly Mortgage Trust as of December 31, 2016 and 2015, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HOLLY MORTGAGE TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

Holly Mortgage Trust (the "Trust") is organized as a Texas real estate investment trust. The Trust has a termination date of December 31, 2030. The Trust is engaged primarily in the business of investing in second mortgages, equity participation mortgages, and multi-family residential properties.

Cash and Cash Equivalents

The Trust considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

The Trust maintains cash balances in a bank, which at times exceed federally insured limits. The Trust monitors the financial condition of the bank and has experienced no losses associated with the account.

Mortgage Notes Receivable and Allowance for Losses

Mortgage notes receivable are carried at the unpaid principal balance less an allowance for losses. Management intends to hold mortgage notes receivable to maturity. The mortgage notes receivable are principally collateralized by second mortgage loans on commercial or residential property. Mortgage notes receivables were fully collected in 2015.

An allowance for losses is based on management's estimate of the amount required to maintain an allowance adequate to reflect the risks inherent in the mortgage note portfolio after giving consideration to existing economic conditions, loss experience in relation to the outstanding mortgage notes, changes in the mortgage notes portfolio, borrowers' performance in reducing mortgage note principal, adequacy of mortgage notes collateral, and other relevant factors. A mortgage note is charged off against the allowance for losses when management determines the mortgage note is uncollectible. A mortgage note is placed on nonaccrual status when it becomes past due, as determined by management. Upon suspension of the accrual of interest, interest previously recognized but uncollected is reversed and charged against current income. Subsequent interest collected on the mortgage note is credited to principal if, in the opinion of management, collectibility of principal is doubtful; otherwise, the interest collected is recognized as revenue. Accrual of interest is resumed when a mortgage note is removed from nonaccrual status. Interest income is accrued based upon the principal amount outstanding. Commitment and origination fees are deferred and recognized as income using a method approximating the interest method over the life of the loan.

A mortgage note is considered impaired when it is probable that the scheduled principal or interest will not be collected. Impaired mortgage notes include mortgage notes that have been placed on nonaccrual status and are valued based upon the present value of expected future cash flows discounted at the mortgage note's effective interest rate or collateral fair value, if the mortgage note is collateral dependent. If the measure of the impaired mortgage note is less than the recorded investment in the mortgage note, an impairment loss is included in the allowance for losses.

At December 31, 2016 and 2015, the allowance for losses on accrued interest receivable was \$658,833 and \$858,833, respectively.

HOLLY MORTGAGE TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The change in the accrued interest receivable allowance for losses during the years ended December 31, 2016 and 2015 is summarized as follows:

	<u>2016</u>	<u>2015</u>
Balance, beginning of year	\$ 858,833	\$1,145,791
Provision for losses	-	66,260
Recovery of amounts previously charged off	(200,000)	(60,000)
Direct write-down	<u>-</u>	<u>(293,218)</u>
Balance, end of year	<u>\$ 658,833</u>	<u>\$ 858,833</u>

There were no commitments to lend funds at December 31, 2016 or 2015.

Net Income (Loss) Per Share

Net income (loss) per share is calculated by dividing net income (loss) by the weighted average number of shares of beneficial interest outstanding during the year. The Trust has no items that give rise to antidilutive shares. Accordingly, basic and dilutive shares presented are the same.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (Topic 606). ASU 2014-09 supersedes the revenue recognition requirements in Topic 605, *Revenue Recognition*, and most industry-specific guidance throughout the Industry Topics of the Codification. Additionally, this update supersedes some cost guidance included in Subtopic 605-35, *Revenue Recognition—Construction-Type and Production-Type Contracts*. In addition, the existing requirements for the recognition of a gain or loss on the transfer of nonfinancial assets that are not in a contract with a customer (for example, assets within the scope of Topic 360, *Property, Plant, and Equipment*, and intangible assets within the scope of Topic 350, *Intangibles—Goodwill and Other*) are amended to be consistent with the guidance on recognition and measurement (including the constraint on revenue) in ASU 2014-09. ASU 2014-09, as further amended by ASU 2015-14, is effective for annual reporting periods beginning after December 15, 2017, and interim periods within annual periods beginning after December 15, 2018. Management is currently evaluating the impact ASU 2014-09 will have on the Trust's financial statements.

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

In August 2014, the FASB issued ASU 2014-15, *Presentation of Financial Statements – Going Concern* (Subtopic 205-40). ASU 2014-15 provides guidance about management’s responsibility to evaluate whether there is substantial doubt about an entity’s ability to continue as a going concern and to provide related footnote disclosures. ASU 2014-15 is effective for annual reporting periods ending after December 15, 2016. Management adopted ASU 2014-15 during 2016.

In January 2016, the FASB issued ASU 2016-01, *Financial Instruments - Overall (Subtopic 825-10) – Recognition and Measurement of Financial Assets and Financial Liabilities*. ASU 2016-01 makes the following changes to existing accounting principles generally accepted in the United States of America for entities that are not public business entities:

- Requires equity investments (except those accounted for under the equity method of accounting or those that result in consolidation of the investee) to be measured at fair value with changes in fair value recognized in net income.
- Simplifies the impairment assessment of equity investments without readily determinable fair values by requiring a qualitative assessment to determine impairment.
- Eliminates the requirement to disclose the fair value of financial instruments measured at amortized cost.
- Requires an entity to present separately in other comprehensive income the portion of the total change in the fair value of a liability resulting from a change in the instrument-specific credit risk when the entity has elected to measure the liability at fair value in accordance with the fair value option for financial instruments.
- Requires separate presentation of financial assets and financial liabilities by measurement category and form of financial assets (that is, securities or loans and receivables) on the balance sheets or the accompanying notes to the financial statements.
- Clarifies that an entity should evaluate the need for a valuation allowance on a deferred income tax asset related to available-for-sale securities in combination with the entity’s other deferred income tax assets.

ASU 2016-01 is effective for annual reporting periods beginning after December 15, 2018, and interim periods within annual periods beginning after December 15, 2019. Management is currently evaluating the impact ASU 2016-01 will have on the Trust’s financial statements.

NOTE 2 - INVESTMENTS

Investments, recorded at cost, consist of the following at December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>

HOLLY MORTGAGE TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 2 - INVESTMENTS (CONTINUED)

The Trust owns 100% of the common stock of A. R. Goldrick Company, Inc. (a C corporation) (“A. R. Goldrick”). A. R. Goldrick is the general partner of Wilco Building Partners, Ltd., a limited partnership that owns and operates an office building in Midland, Texas. The financial statements of A. R. Goldrick have not been consolidated with those of the Trust. The investment in A. R. Goldrick is accounted for using the cost method of accounting. In 2016 and 2015, the Trust received \$257,938 and \$85,055 from A. R. Goldrick, respectively, that was recorded as other income in the statements of operations.

At December 31, 2016 and 2015, the Trust owns 382 partnership units of Global REIT, L.P. (“Global”) and a 33.7% partnership interest in Northeast Equity Partners, LP (“NEP”). The Trust has no control or influence on management of Global or NEP and accordingly, accounts for the investments using the cost method of accounting.

At December 31, 2014, the Trust owned a 15.63% interest in DMJ Note Syndication 2004 and a 0.95% interest in Hillsborough River Properties, LLC (“Hillsborough”). Accordingly, these investments were recorded at cost. In 2015, each of the investments were settled, and final distributions were received from the investees by the Trust. Total distributions received were \$126,503, which resulted in a recognized gain on settlement of investments of \$49,636.

Investments were not evaluated for impairment because (a) the Trust did not estimate the fair value of those investments in accordance with the FASB Accounting Standards Codification (ASC) 825, *Financial Instruments*, and (b) the Trust did not identify any events or changes in circumstances that may have had a significant adverse effect on the fair value of those investments.

NOTE 3 - NOTES PAYABLE

Notes payable consist of the following as of December 31, 2016 and 2015:

	<u>2016</u>	<u>2015</u>

\$325,000 note, payable to a financial institution, interest only payable monthly beginning on November 27, 2016 at an interest rate of 4% annually, final payment due on October 27, 2018 for unpaid principal and remaining accrued and unpaid interest, secured by a certificate of deposit held as a collateral at FCMT and a guaranty by FCMT	<u>325,000</u>	<u>-</u>
	<u>\$462,014</u>	<u>\$380,848</u>

Future maturities of notes payable at December 31, 2016 are as follows:

<u>For the Year Ending December 31:</u>	
2017	\$137,014
2018	<u>325,000</u>
	<u>\$462,014</u>

Interest expense on related trust notes amounted to \$2,625 and \$3,016 for 2016 and 2015, respectively. The Trust paid FCMT a loan guarantee fee of \$3,250 in 2016.

NOTE 4 - FEDERAL INCOME TAXES

The Trust operates in such a manner to qualify as a “real estate investment trust” under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder. Under those sections, the Trust will not be taxed on that portion of its qualifying income distributed to shareholders so long as at least 90% of the Trust’s otherwise taxable income is distributed to shareholders each year and other requirements of a qualified real estate investment trust are met. The Trust satisfied the income distribution requirements for the years ending December 31, 2016 and 2015. Management believes that all other requirements of a qualified real estate investment trust have been met.

HOLLY MORTGAGE TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 4 - FEDERAL INCOME TAXES (CONTINUED)

The tax status of per-share dividend distributions declared attributable to the years presented is as follows:

	<u>2016</u>	<u>2015</u>
Ordinary income	0%	0%
Return of capital	<u>100</u>	<u>100</u>
	<u>100%</u>	<u>100%</u>

As of December 31, 2016, the Trust had a federal net operating loss carryforward of approximately \$2.8 million that can be deducted against future taxable income. The carryforward amount expires in 2023 - 2035. The Trust does not expect to pay federal income taxes, thus the tax effect of the net operating loss carryforward has been adjusted to zero by a valuation allowance of \$942,906 and \$909,590 at December 31, 2016 and 2015, respectively. The valuation allowance increased \$33,316 in 2016.

Management has evaluated the Trust's tax positions and concluded that the Trust has taken no uncertain income tax positions that require adjustment to the financial statements. Tax-related interest and penalties are recorded in income tax expense in the statements of operations. The Trust incurred no tax-related interest or penalties in 2016 or 2015. The Trust is subject to income tax examinations by federal and state tax authorities for years beginning in 2013 and after.

NOTE 5 - PREFERENTIAL SHARES OF BENEFICIAL INTEREST

Except for the rights and preferences in payment of dividends and in liquidations, the Preferential Shares of Beneficial Interest ("Preferential Shares") have the same voting and other rights as the Shares of Beneficial Interest ("Common Shares"). The Preferential Shares issued in 2004 are entitled to receive cumulative preferential dividends at the annual rate of five cents (\$0.05) per share before any dividends are paid on the Common Shares. The Preferential Shares issued in 2009 and 2008 are entitled to receive cumulative preferential dividends at the annual rate of eight cents (\$0.08) per share before any dividends are paid on the Common Shares.

In the event of liquidation of the Trust, the assets available for distribution will be distributed first to the holders of the Preferential Shares up to one dollar (\$1) per share plus any deferred dividends, then second to the holders of Common Shares up to one dollar (\$1) per share and then equally on all of the shares of Preferential and Common Shares.

The 2004 Preferential Shares (950,000 shares authorized and 530,000 shares issued and outstanding) are subject to redemption at any time after January 1, 2009 upon not less than 30 days' prior written notice, in whole or in part, at the election of the Trust at the redemption price of one dollar (\$1) per share plus all unpaid dividends accrued to the redemption date. Any Preferential Shares issued in 2004 that are outstanding on September 30, 2020 will be redeemed on that date.

HOLLY MORTGAGE TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 5 - PREFERENTIAL SHARES OF BENEFICIAL INTEREST (CONTINUED)

The 2008 Preferential Shares (990,000 shares authorized and 870,000 shares issued and outstanding) are subject to redemption at any time after January 1, 2012 upon not less than 30 days' prior written notice, in whole or in part, at the election of the Trust at the redemption price of one dollar (\$1) per share plus all unpaid dividends accrued to the redemption date. Any Preferential Shares issued in 2009 and 2008 that are outstanding on September 30, 2019 will be redeemed on that date.

ASC 480, *Distinguishing Liabilities from Equity*, establishes standards for how an issuer classifies and measures certain financial instruments with characteristics of both liabilities and equity. ASC 480 requires an issuer to classify a financial instrument issued in the form of shares that is mandatorily redeemable and embodies an unconditional obligation to redeem it by transferring its assets at a specified or determinable date or upon an event that is certain to occur as liabilities. The Trust has adopted these provisions in its financial statements and has included mandatorily redeemable preferred shares in liabilities in the balance sheets and dividends of \$96,100 for each 2016 and 2015, on the mandatorily redeemable preferred shares as interest expense in the statements of operations.

NOTE 6 - MANAGEMENT AGREEMENT AND RELATED-PARTY TRANSACTIONS

FCA Corp ("FCA") is the Trust's compensated manager. FCA is related to the Trust through common management. Management fees to FCA were \$20,000 and \$40,000 for the years ended December 31, 2016 and 2015, respectively. Effective January 1, 2015 through May 2016, the management fee was reduced to \$40,000. FCA consented to waive its management fees for one year starting July 1, 2016.

At December 31, 2016 and 2015, accounts payable - affiliates consist of the following:

	<u>2016</u>	<u>2015</u>
FCA	\$10,000	\$55,000
Ivy	<u>-</u>	<u>267</u>
	<u>\$10,000</u>	<u>\$55,267</u>

NOTE 7 - FINANCIAL CONDITION

The Trust incurred annual net losses from 2009 through 2015, which has resulted in a shareholders' deficit since December 31, 2011. The Trust had net income in 2016. Further, the Trust has not been actively seeking new investment opportunities due to cash flow problems. The Trust had problems in collecting outstanding mortgage notes receivable and accrued interest and experienced a decline in value of its investments. In response, the Trust is discussing a sale of the Wilco Building that could generate a gain to A.R. Goldrick. Collection of accrued interest from A.R. Goldrick totaling approximately \$1,000,000 for the Trust began in 2015. Payments of \$10,000 per month are being received. An additional \$100,000 of accrued interest was collected during 2016. Also, the Trust is anticipating the receipt of preferred return payments from one of its investments. That investment is being marketed for sale. As a result, management believes the Trust will have sufficient resources and cash to continue as a going concern entity.
