SEPTEMBER 22, 2011

Well the end has come. Saturday is our last day to meet at the Farmers Market. What a great year we have achieved. Miami County's #1 Farmers Market, made new friends, heard some fantastic music and enjoyed some wonderful memories.

Saturday morning the Lions Club will be serving biscuits and gravy, collecting your old glasses and selling large yellow trash bags.

Axel Foley and the Equators will be doing their magic with music and singing for you. Then at 10AM Mark Orr will draw the winning raffle ticket for our beautiful bird house quilt. This quilt was made and donated by Tracie Clary from Olathe. All the proceeds will go the Heads Up group.

We will have balloons for the kids and face painting for anyone who wants it. The Miami County Birds of a Feather 4H Poultry Club will be having a bake sale and selling eggs from their chickens. Four of these young people Ron Sullivan, Tyler Duncan, Natalie Eppler and Bridgett Downey competed at the Kansas State Fair in Poultry Judging and took first place. They are trying to make money now to pay for a trip to the National Competition in Louisville, Kentucky this coming November.

Delores Day will have some new items this weekend that she will be bringing to the market. New items include squirrel feeders, log bird feeders and some stuffed cat door stops. Of course she will have the usual stepping stones and other garden décor.

Barbara Stull will be there with her wooden roses and soaps, while you can always count on me for free coffee and ice tea. Donut holes for the little ones. Leland and Slina Prothe said they will have pecans there this weekend. So I put my order in for a few bags to last this winter. The Silvers will have fresh frozen beef. Might want to get a few items for your freezer.

I will end this newsletter for the year with a Great BIG Thank you from the bottom of my heart to everyone who was involved in any way with the Market this summer. Till next year.....
