

**WHO'S
YOUR
FARMER!!**

Paola Farmers Market

July 28th, 2012

7:00 to 11:00am

Performing in the Gazebo will be

Margo Rodewald

Yes Margo is back to sing at the Market. If you weren't lucky enough to catch her a few weeks back you have got to come to the square this Saturday to hear her sing. She is fantastic and will very soon be singing in Branson. She is that good people---- I wouldn't lie to you. She sings Patsy Cline, Shania Twain, Brenda Lee, and many more great songs for the young and old. Just think of it as maybe the last chance you have to hear her sing for free.

This week will also be our drawing at 10am for the beautiful picnic table cloth made and donated by Asher Leonard's own grandmother. All proceeds in our drawing this year go to the grandson of our own vendor - Marla Biggs. Show your support and someday together we will stamp out Cancer.

We are only one week away from the Paola Farmers Market Chef Cook off. August 4th from 8:30 to 10:30 am you will be able to come and sample items cooked by local chefs in town. They will be cooking with produce you can get at our very own market as we encourage shopper to eat by the calendar, fresh and local.

For a donation to the Asher J. Leonard Cancer Fund you will be provide a plate and silverware to go around and taste these cooks' delicious food. Then as you return to throw away your trash you can vote for the best tasting item cooked at the market.

Also appearing at the market and dancing for you on August 4th will be the Frontier Country Square Dance Twirlers. Singing for your enjoyment that day will be the Kansas Monkeys...four young ladies who love to sing and entertain you.

Olive's Hope will also join us on Aug. 4th with pets for adoption too. Maybe you can find a good lookin fellow like the Yorkie above.

So put August 4th on your calendar to join us at the Paola Farmers Market for many surprises and fun. I will send out more information next week on all those chefs who will be cooking for us.

Please note – that as a customer you are welcome to come and shop as early as you want. I am encouraging all vendors to get there early so we have no heat related incidences. I will have coffee, water and ice tea to keep you hydrated.

Some of the items coming this week to the Market – July 28th
