

Kindersculls is a week long, half-day rowing camp for 4 to 9 year olds that comes to you! Our coaches travel with all the equipment they need and have the training and curriculum that will leave you at week's end with a happy and confident group of young rowers. Our single sculls are designed specifically for very young rowers and allow us to teach sliding seat rowing to athletes as young as those about to enter Kindergarten. The Kindersculls experience goes well beyond just rowing lessons and instead delivers a full camp experience which includes lessons in boat handling and maintenance, time for a snack, and a daily rowing related craft project. With safety as our first concern we limit sessions to 8 athletes in order to maintain a 4:1 rower to coach ratio and all of our rowers wear life vests whenever they are in boats or near the water.

Sarah on her 3rd day of rowing in the summer before 2nd grade.

Kindersculls will be at the Saratoga Rowing Association on Fish Creek during the week of July 7-11

To hold your spot for the Saratoga Kindersculls go to www.saratogarowing.com and click on the "Register Now" button the right hand side. For questions specific to registration please call Susan Purisma at 587-6697 or email at info@saratogarowing.com. For questions related to the Kindersculls program please contact director Matt Hopkins at 378-3938 or mhopkins@kindersculls.com

Session Times

Morning	Afternoon
9:30-12:30	1:30-4:30

What are they rowing in?

The boats we use are designed and built by Little Sculling Boat Co. and are scaled down versions of adult sized rec shells. They are extremely stable and very durable... a perfect fit for pint sized rowers.
