## RODEO EVENTS

(ANNOUNCER BROUGHT TO YOU BY YEGUA CREEK CATTLE CO. LLC)

### STEER TYING (A/C TECHNICAL SERVICES, LTD.)

Taken from the life on the range of the working cowboy, steer tying has developed from the chore of securely tying a full-grown steer that is in need of medical attention.

- All team members can participate.
- Catch steer, do not “trip” or abuse.
- Legal head catch only. See ground rules.  
If team wants to heel the steer, they must have a legal head catch first.
- Tie any three (3) legs together.
- Must remove all other ropes - steer must stay tied until all cowboys are mounted back on horseback.
- Time will stop when the last cowboy to mount has his leg over the horses back.

### CALF BRANDING

The cowboys always look forward to roundup when the newborn calves are vaccinated and branded for identification purposes.

- All team members may participate
- Catch calf, do not “trip,” abuse or drag the calf.
- Legal head catch only. See ground rules. If team wants to heel the calf, they must have a legal head catch first.
- Brander can leave the bucket area when the calf is caught.
- Calf must be on the ground and restrained by at least one member. Calf must then be branded on the “Right Rib”.
- Brander will return brand to bucket.
- Time will stop when brand is returned and placed in the bucket (which is standing) and brander puts both hands in the air. Evidence of the brand making its mark must be on the calf or the team may be disqualified.

## HUMAN DOT RACES

A whole new twist on an age old game.

## WILD COW MILKING

When a “momma cow” is unable to provide milk for her calf, the cowboy must step in and retrieve the milk for the hungry calf.

- All team members can participate.
- Catch cow, do not “Trip” or abuse.
- Legal head catch only. See ground rules.  
NO HEELING in this event.
- Milk cow while she is standing, not kneeling. If the cow is down, the “Milker” may not continue to milk until she is back up.
- “Milker” must bring milk back across the finish line.
- Do not drink or pour milk out until okayed by the judge.  
Must prove to judge that milk is in the bottle.

## STEER LOADING (M&M METALS INC.)

This team of working cowboys must work in unison to catch and load a wild steer from the pasture.

- All team members can participate
- Catch steer, do not “trip” or abuse.
- Legal head catch only. See ground rules. If team wants to heel the steer, they must have a legal head catch first.
- Trailer will be stationary in arena.
- Must load steer into trailer, close gate and latch it properly for time to stop.

## CALF SCRAMBLE (ALAMO DUMPSTERS)

Children 12 and under may participate.

## RESCUE RACE (TWISTED X BOOTS AND BILLY'S WESTERN WEAR)

The rain is falling and our fellow cowboys are stranded on the other side of the river. Our ranch hands must bring them home to safety.

- Two teams will compete at a time and all team members may participate.
- Rider must “rescue” three stranded cowboys at the opposite end of arena, one at a time.
- Rider must advance down the arena to rescue the cowboys and cross the river (tarp), returning to the finish line each time.
- Rider must rescue the cowboys from on top of the barrel.
- Rider must change horses at least once.
- If the rescued cowboy’s feet hit the ground at anytime during the run he must return to the top of the barrel to be rescued again.
- Time will stop when the last cowboy is rescued and brought across the finish line.

## HIDE RACE (OESERVICES AND LAW OFFICES OF KRISTI DENT)

When the work is done, there is always enough energy for a little horseplay.

- Drag hide with (1) rider on board from start line to back line.
- Change cowhide riders and return to finish line for time to stop.
- Hide must cross the back line when the 1st rider dismounts and the 2nd rider mounts.
- Rider’s hands must be in the paint when time starts and when crossing the back line.
- If either rider falls off, the hide must be brought back to the rider, the rider cannot advance forward to the hide.

# SATURDAY - JULY 30TH

# HISTORY OF THE SAN ANTONIO CORRAL CLUB

The San Antonio Corral Club was established in the fall of 1995. It began with a small ambition of raising funds with friends through parties and concerts. The funds raised were to be used to purchase livestock at the Junior Livestock Auction held during the San Antonio Stock Show and Rodeo. The word went out and the first meeting was called at Alamo Café. Much to everyone's surprise, a large and enthusiastic crowd attended. The first Corral Club concert was underway featuring a rising star by the name of Robert Earl Keen, Jr. The concert was a great success and we were off to the auction with money for the kids.

In the fall of 1996, the Corral Club was approached by the San Antonio Stock Show and Rodeo (S.A.L.E.) to produce the first annual Bar-B-Que Cook-off. This was a great opportunity for the organization. The challenge was accepted and another successful event was held. After four years of growing Cook-off events, the Corral Club was formally invited to become the first ever S.A.L.E. Bar-B-Que Committee. In 2012, the 16th Annual Bar-B-Que Cook-off and Concert will be held, as the third largest in the United States with more than 25,000 people in attendance. The Bar-B-Que Committee (Corral Club) is proud to host the first event of the Stock Show season and be a contributor to the S.A.L.E. scholarship fund.

While the Cook-off is managed under the name of the Bar-B-Que Committee, our organization still believes in its grass roots. The Ring of Fire Ranch Rodeo and Concert has become the Corral Club's way of continuing to directly support the Junior Livestock Auction. With ten ranch rodeos under our belt, the Corral Club has been able to make record contributions to the auction exceeding \$350,000 cumulatively. In 2011 alone, over 160 kids were assisted by our organization. These figures make our organization extremely proud, considering our humble beginnings. However, what makes us continue to grow the event are the thank you letters we received each year from the children of the auction. They are truly amazing and we appreciate the help we receive from our donors and sponsors each year. Thank you for helping all those amazing kids and we hope to see you next year.
