- Riders may not advance on foot.
- If a rider falls, the hide must be returned to the rider.
- Time will stop when the hide rider crosses finish line.

SOME GROUND RULES:

A TEAM CONSISTS OF FIVE CONTESTANTS. A team may start the rodeo with less than five contestants, but no concessions will be made.

PROPER WESTERN ATTIRE MUST BE WORN, including hat, long sleeve shirt, jeans, boots and chaps.

CONTESTANTS SHOULD OBSERVE GOOD SPORTSMANSHIP. No loud or persistent profanity and no inhumane treatment of animals. Any participant found to be conducting himself in an unsportsmanlike or inappropriate manner will be disqualified.

ANY UNNECESSARY ABUSE OF LIVESTOCK WILL RESULT IN A TEAM DISQUALIFICATION, at the discretion of the Flagman and Arena Director.

A TIME LIMIT OF THREE MINUTES will be allowed in each event. Any event not completed in three minutes will result in a no-time (no points) for that event.

DECISIONS MADE BY THE FLAGMAN ARE FINAL. A re-run in the event of unsatisfactory animal performance is at the discretion of the Arena Director.

IF A CONTESTANT CROSSES THE START LINE BEFORE THE FLAG IS DROPPED, a 10 second penalty will be assessed.

A LEGAL HEAD CATCH is a horn catch, half-head or neck. Heeling is permitted in any roping event except the cow milking. Heeling will only be allowed after a legal head catch.

THE ORDER OF COMPETITION WILL BE DETERMINED BY DRAWING. The first event will start with the first drawn team. The second event will start with the second drawn team and the first team will be last. That rotation will continue as necessary.

THE WINNING TEAM WILL BE DECIDED BY TOTAL POINTS. Teams in each event will receive points towards their overall score. In any given event (with a minimum of six teams), the points are as follows: 1st = 6 pts 2nd = 5 pts 3rd = 4 pts 4th = 3 pts 5th = 2 pts 6th = 1 pt. In the event of a tie, the team with the lowest overall time will be the winner. If one of the tied (on points) teams has more qualified runs than the other, the team with the most qualified runs will be the winner.

ROPE RULE. A loose horse with a loose rope will result in a no-time (no points) for that event.

FEATURED CONCERT

JAKE HOOKER & THE OUTSIDERS

HISTORY OF THE SAN ANTONIO CORRAL CLUB

The San Antonio Corral Club was established in the fall of 1995. It began with a small ambition of raising funds with friends through parties and concerts. The funds raised were to be used to purchase livestock at the Junior Livestock Auction held during the San Antonio Stock Show and Rodeo. The word went out and the first meeting was called at Alamo Café. Much to everyone's surprise, a large and enthusiastic crowd attended. The first Corral Club concert was underway featuring a rising star by the name of Robert Earl Keen, Jr. The concert was a great success and we were off to the auction with money for the kids.

In the fall of 1996, the Corral Club was approached by the San Antonio Stock Show and Rodeo (S.A.L.E.) to produce the first annual Bar-B-Que Cook-off. This was a great opportunity for the organization. The challenge was accepted and another successful event was held. After four years of growing Cook-off events, the Corral Club was formally invited to become the first ever S.A.L.E. Bar-B-Que Committee. In January of 2013, the Bar-B-Que Cook-off and Concert set a record with the number of team entries as the largest in Texas and second largest in the United States. This September will mark the 19th Annual Cook-off. Hopes are high for another record breaking year, as we enjoy our long awaited return home to the grounds of the AT&T Center.

While the Cook-off is managed under the name of the Bar-B-Que Committee, our organization still believes in its grass roots. The Ring of Fire Ranch Rodeo and Concert has become the Corral Club's way of continuing to directly support the Junior Livestock Auction. With twelve ranch rodeos under our belt, the Corral Club has been able to make record contributions to the auction exceeding \$450,000 cumulatively. In February of this year, over 140 kids were assisted by our organization. These figures make our organization extremely proud, considering our humble beginnings.

However, what makes us continue to grow the event are the thank you letters we receive each year from the children of the auction. They are truly amazing and we appreciate the help we receive from our donors and sponsors each year. Thank you for helping all those amazing kids and we hope to see you next year.

Rent

When you participate in a UniFirst rental program, up-front clothing investments are eliminated. We outfit employees in the clothing of your choice, provide weekly cleaning, garment maintenance and clothing replacement when necessary. We handle all of the program administration, eliminating worries and headaches for you. And it's all for one low weekly charge per employee.

Lease

Depending upon individual needs, some may prefer our Val-U-Lease program. You will enjoy all of the service, convenience and benefits of our rental program, with the exception of the weekly cleaning. And you'll still receive our regular garment repair and clothing replacements, as needed.

Own

For those who prefer to own, UniFirst offers great pricing and an extensive selection. All of our items are available for purchase. If occasional cleaning to manufacturer's specifications is required, you can count on us. Please ask your UniFirst representative for information.
