All rehearsals and events are **required** attendance for the course (they will receive a grade). Please mark all of these dates on your home/family calendar so you can plan accordingly. While all dates are subject to change (very unlikely), we will notify you in timely manner. Some events and performances that are marked “TBA” means that we will not know (from outside event schedulers) our assigned performance times until several weeks beforehand (once we know, you will know).

In addition to these listed events, students will be accountable for their weekly **sectional** attendance. In the event that one of these events conflicts with a regularly scheduled sectional, we will make every reasonable attempt to reschedule the sectional for that week so that the students do not miss instructional time (we take formal assessments during sectional time). Sectional attendance is required for all Symphonic Band members, and will begin in November.
