Total minutes must equal **150** to get a 100! For every **10** minutes below that, your grade will be lowered **5** points. Practice reports are due in class every **Wednesday**. You total grade will be lowered 10 points if turned in on Thursday, and they will not be accepted after Friday (exception is if you are absent from class on a Wednesday).

You must practice at least **5** days a week to get full credit! You grade will be lowered by **3** points for each day of practice that is less than 5. You will get better on your instrument faster if you practice a little bit each day, rather than practicing a lot in only a few days.
