All rehearsals and events are **required** attendance for the course (they will receive a grade). Please mark all of these dates on your home/family calendar so you can plan accordingly. While all dates are subject to change (very unlikely), we will notify you in timely manner. Some events and performances that are marked "TBA" means that we will not know (from outside event schedulers) our assigned performance times until several weeks beforehand (once we know, you will know). Also please be aware of travel time we will have to factor in on contest days, and we will send out a specific itinerary closer to the event.
