www.makepeacewithanimals.org

You Are Invited To Our **THIRTIETH** *(yes, 30th!)* **ANNUAL**

Greyhound Homecoming and Make Peace Picnic

When:

Saturday, September 29th, 2018
from 1-4 p.m.

(almost) **Rain or Shine**—Extreme weather is beyond our control and we may be forced to cancel. If you have questions on the day of the event, call our main number, 215-862-0605; check our website, www.MPWA.org; or check our Facebook page for updates.

Where:

Valley Road Picnic Site, 48 Valley Road,
Hopewell Township, NJ 08560
(we rent the entire 19-acre park)

Valley Road is located about two miles south of
Lambertville, New Jersey, just off of Route 29.

We'll have a sign on Route 29 at the turn-off
so you can't miss it.

Why:

To celebrate our hounds!

The Fine Print:

- A parking fee of \$10. per car (not per person) is requested to help us offset our many expenses in holding the event.
- All dogs must be kept on lead at all times by someone 18 years of age or older.
- **Greyhound dogs only!** Please do not bring other breeds.
- We welcome all Greyhounds and their adopters, regardless of where they adopted their Greyhound, and including those who have become 'orphaned' when the group they adopted from closed.
- For the comfort of your Greyhound, please **bring their bed or a blanket** to spread on the lawn. A water bowl is a good idea, too—although we will have communal water buckets. Upon entering, you will be given a plastic bag so you can clean up after your dog. Please use it—we want to be allowed to return to the park next year. You might want to bring a chair for yourself, too!
- If you arrive before 1 p.m., we'll put you to work helping us set up. **(No exceptions!)**
