

LET'S GET PIXELATED  
Dunham Walk-A-Thon 2016  
Class Project

**Hello Wonderful Dunham Parents!**

This year's walk-a-thon theme is "Let's Get Pixelated"; the inspiration of course from the 2015 movie Pixels. Every year each class has contributed in some way to the decorations for the walk-a-thon, but this year will be a little different. We have decided to let each class be responsible for decorating the entire space around their table. Below are the guidelines:

1. Each class will be assigned a particular video game to decorate as
2. The budget is \$20 per class.
3. The decorations do not have to be made by the class. Although I would try to get some input from them.
4. Go big and go Colorful!
5. You will be responsible for the set-up of the decorations the day of the walk-a-thon

Set-up will be right after drop off that morning. I am leaving the decorations open to interpretation. Just have fun with it. We are keeping the budget pretty low because whatever is spent on decorations comes out of the money the students earn in donations. In the past I have used a lot of cardboard from the back of furniture stores and scrap material from around the house. Please let me know what you have planned just so I have an idea of what to expect. If you would like to change the video game your class has been assigned, please let me know and we can discuss other options. Since we are all doing this together, if you need any help or are looking for suggestions email me at [Katrina.hupfeld@comcast.net](mailto:Katrina.hupfeld@comcast.net) and I will send out an email blast to everyone who is working on the project.

**Thank you so much for all of your help**

**Katrina Hupfeld**
