

SUBJECT - URGENT!! PTO NEEDS YOUR HELP

Dunham PTO needs your help to support our kids' programs! We urgently need volunteers for events and projects, as well as parents to fill key PTO positions in order to continue to have a PTO. No PTO = no \$\$ for Garden, Music, Drama, etc. We are a community that rallies, so we know you will want to help. The PTO is already planning next year's events, and I am afraid to say most of our PTO members that organize the events have children that are graduating this year. When these current members leave, so does their knowledge and experience. As we stand right now the Dunham PTO does not have enough volunteers or key positions filled to continue the much needed fundraising.

All is not lost though. The current PTO is here and ready to pass down their knowledge and experience to the next generation of volunteers. Joining the PTO is not a commitment to going to a ton of meetings, and being bombarded by a lot of volunteer work. Sometimes the biggest impact comes from people helping just a little bit here and there.

Please take a few moments to join the PTO by completing the attached PTO Membership form, or forms can be found in the School Office.

Nomination for PTO Officer Positions are due by April 6th. We will be voting on April 10th.
For information regarding PTO Officer Positions please contact us at DunhamPTO@gmail.com

Thank you very much,
Your Dunham PTO

Dunham Elementary School PTO

2017-2018

Membership Form

Throughout the year the Dunham School PTO (Parent Teacher Organization) raises money to provide resources and funds for maintaining and enriching the educational environment at Dunham School. Some examples of PTO involvement are purchasing supplies and equipment. Funding assemblies. Supporting music, art, performing arts and garden programs and helping with Yosemite Trip and classroom field trips. Your membership and involvement is critical.

You are encouraged to voice your ideas and give input you think would make Dunham School an even better community. There are no membership dues, but we ask for a donation to offset the insurance and administration costs. In order to vote, you must be a member for at least 30 days.

PTO Mission:

The Dunham School Parent Teacher Organization is a community organization whose mission is to provide resources and funds for maintaining and enriching the educational environment at Dunham Elementary School. The Dunham School PTO seeks to form a bond between community members who care about Dunham School and those who are creatively carrying out the education of our children.
