

[Dunham News for April 23 - 27](#)

Reminder - Tomorrow, Friday April 20 - Staff Work Day, No School for Students

Pasta Feed

Thank you to all the families who attended the Pasta Feed, wasn't it a wonderful show? A big appreciation to our Dunham PTO for hosting the event!!

Earthquake Drill

This week we had a "surprise" drill, where both teachers and students did not know the day/time it would occur. This helped us practice our routines for earthquake drills, including that if a person is outside during an

earthquake, he/she should stay outside and duck and cover outside of the proximity of anything that could fall on him/her.

Practicing earthquake drills at home is also a good idea. At a recent training, they shared that it is often best to stay in bed during an earthquake, because more people are injured falling while trying to find a safe place. Be sure the strap down any objects that may move or fall during an earthquake to maximize safety in your home.

Summer Camp

Interested in attending summer camp at Dunham? Fliers are going home this week with more information.
