

REAL GONE MUSIC

GRATEFUL DEAD: Dick's Picks Vol. 5—Oakland Auditorium Arena 12/26/79 (3-CD Set)

Taken, like *Dick's Picks Vol. 10*, from one of the Dead's annual year-end runs of Bay Area concerts, *Dick's Picks Vol. 5* marked five straight volumes of '70s shows selected by archivist Dick Latvala to start the series, and as it was from one of the very last days of the decade, it was the perfect way for Dick to complete his own mini "tour" of the '70s (*Vol. 6* would break the string by forging ahead to the '80s). But *Vol. 5* has a lot more going for it than just a convenient spot on the calendar; this is one of the rawest and most energetic *Picks*, a complete show anchored by a second set that is in essence one big medley that begins with "Uncle John's Band" and ends with it two hours later, with a supercharged "The Other One" and the first appearance of "Brokedown Palace" in two years among many high points in between. Set one is no slouch, either, with a great, Garcia-led rendition of "Alabama Getaway" four months before it appeared on record and a passionate vocal by Bob Weir on "Looks Like Rain" leading to a spirited, set-closing "The Promised Land." And throughout it all you'll hear Brent Mydland serving notice in one of his first shows with the band that he is fully up to the task of replacing Keith Godchaux. Out of print for years!

DICK'S PICKS

GRATEFUL DEAD

LIMITED-EDITION 300-UNIT RE-PRESS!

GRATEFUL DEAD: Dick's Picks Vol. 29—5/19/77 Fox Theatre, Atlanta, GA 5/21/77 Lakeland Civic Center Arena Lakeland, FL (6-CD Set)

The only 6-CD set in the *Dick's Picks* series, *Dick's Picks Vol. 29* chronicles the fabled Spring '77 tour with two complete shows (minus one encore) plus some fabulous, unlisted bonus tracks from a 10/11/77 concert in Norman, Oklahoma. A monster, nine-song medley and a great "Playing in the Band/Uncle John's Band" transition are among the highlights. One of the best-selling titles in the series...and we're only making 300 more units.

GENRE: Rock
FORMAT: CD

FANNY FANNY HILL (Expanded Edition)

Fanny had already stepped into some big shoes by being the first all-female rock band signed to a major label, but with the release of 1972's *Fanny Hill*, they took things to a new level, recording at Abbey Road with producer Richard Perry and famed Beatles engineer Geoff Emerick (the album includes a Beatles homage with a cover of "Hey Bulldog"). And the result was Fanny's most varied and ambitious album, sporting a beautiful mix of ballads and rockers and a mature, socially conscious lyrical approach. Not coincidentally, it's long been the most-requested reissue in the Fanny catalog, and we're adding six bonus tracks to the original release along with new liner notes from the band and rare photos. Another essential, expanded Fanny album from Real Gone Music!

SONGS:

1. Ain't That Peculiar
2. Knock on My Door
3. Blind Alley
4. You've Got a Home
5. Wonderful Feeling
6. Borrowed Time
7. Hey Bulldog
8. Think About the Children
9. Rock Bottom Blues
10. Sound and the Fury
11. The First Time

Bonus Tracks

12. Tomorrow
13. Wonderful Feeling (single version)
14. Young and Dumb (single)
15. No Deposit, No Return (unissued)
16. Rock Bottom Blues (Backing Track)
17. Rock Bottom Blues (original vocal)
