

CONSIGNMENT POLICIES

We appreciate your interest in consigning furniture and decorative accessories with SLO CONSIGNMENT. All items must be from a smoke-free environment. **We must see all your items prior to accepting them for consignment.** Emailing photos is preferred, please send them to jennifer@sloconsignment.com. You may also bring photos to the shop for us to look at. Under certain circumstances--such as when there are larger quantities--we may evaluate them at your site. Once we have approved your items we will set-up an appointment for you to deliver them to us. At that time we will determine retail pricing. Pricing is based on condition, style, demand, manufacturer, quality and the marketability of the item. Our goal is to price items reasonably. We ask that all your items be clean and in saleable condition so that we may put them out on the floor without delay.

Upon sale of an item, the consignor shall receive 50% of the selling price. Payment checks shall be sent out shortly after the 1st of the month following the sale.

The consignment period is approximately 90 days. Consignments are offered at full price for the first 60 days, and at 20% off for the next 30 days.

It is the responsibility of the owner to pick-up unsold merchandise at the end of the consignment period. As a courtesy we will contact you by phone or email to advise you of unsold items and then hold them for 10 days after contacting you. If items are not picked up by that time they will become the property of SLO CONSIGNMENT and we will arrange for their donation to SLO Hospice Partner's Hope Chest.

We are happy to provide mover referrals upon request.

Thank you.
