**COMMUNITY CENTER AND PLAYGROUND**
- Primary waterfront access point
- Expand and remodel Community Center to include small commercial venues and expanded elementary school
- Develop interpretive signage for flora and fauna, water resources, mill and water power history, etc. for summer and after-school education programs geared to elementary age children
- Regenerate playground for children
- Trailhead is designed to encourage children to play and build creatively
- New beach access and canoe/kayak launch
- New connection to Elm Street, through to Canal Street

**SUMMIT MILL #4 PROPERTY**
- One of the Village’s most promising opportunities for new building, commercial, and residential development
- Regenerate the bridge over the East Branch and create a new retail/restaurant entity
- Direct connection to Main Street with pedestrian connections to the waterfront along the proposed pedestrian improvements on Elm Street through 16 Summit Street into the proposed reprogrammed Lakeshore Park

**NEW TEEN CENTER AT LIBRARY**
- Teen space includes a training center behind library
- Include free Wi-Fi, tables for group study, relaxing chairs, large screen television(s), pool tables, foosball tables, ping pong table
- Provide computers to help with homework research
- Outdoor patio space

**COMMUNITY CENTER AND PLAYGROUND**
- Important loop connection from Harlem Valley Rail Trail to Lakeshore Park and Community Center, Coal Street and downtown

**BOARDWALK CONNECTION**
- Important loop connection from Harlem Valley Rail Trail to Lakeshore Park and Community Center, Coal Street and downtown

**SUMMIT MILL #4 PROPERTY**
- Partner with the Columbia Land Conservancy to develop trail connections to High Falls

**NATURAL WATERFRONT TRAIL**
- Interpretive signs connecting to High Falls Conservation Area
- Waterfront dock and fishing access
- Interpretive signage of local and regional flora and fauna
- Connect to Summit Street and High Falls Conservation Area
- Protect natural wildlife vegetation

**SUMMIT RESERVOIR**
- Zoning restrictions (and other land development controls)
- Mechanical and/or hydraulic dredging project (muck and sand delta removals)
- Habitat restoration and/or enhancement
- Annual maintenance protocols
- Dam maintenance and safety

**WEST GATEWAY**
- Pedestrian/pedestrian-scale lighting
- Improving pedestrian connections
- Enhancing waterfront trailheads
- Improving development of retail, restaurants and market-rate housing

**EAST GATEWAY**
- Gateway signage
- Historic pedestrian-scale lighting
- Connecting for potential Harlem Valley Rail Trail
- Palisades redevelopment opportunity

**COMMUNITY CENTER AND PLAYGROUND**
