PROJECT GOAL FOR COMMUNITY CENTER CURRENT BOA FUNDING

Design Concepts for Waterfront park, playground, and community center on the bank of Summit Lake (Subarea 1)
The Contractor will develop draft and final design concepts for this subarea, as well as estimated construction costs.

Final Products:
• Plans and specifications advancing an existing concept plan for the area including final design concepts, elevation drawings, section drawings, perspective drawings to convey how this strategic site, streetscape, and other areas of interest have the potential to appear after development or improvements are completed.

• An order-of-magnitude estimate of probable construction cost for the selected final Preliminary Design plan.
1.) Neighborhood Focus Meetings to keep in the loop

2.) Serve on the Subarea 1 Working Group to get a vote

3.) Attend BOA Grant Committee meetings when required for final voting procedures
