## Angles in Art

After playing the Angles program on your Palm, list the angles you guessed and the correct answers below. The angles will be used for your art project.

Guess	Correct Answer
	Score:

**Directions:**

**Use the angles that you guessed and the correct answers to create an abstract non-objective artwork. Use the space below for to practice different angle combinations for your final artwork.**

**Now you are ready to begin your final artwork!**

**Materials:** 12 x18 paper color of your choice, markers, crayons, colored pencils, oil pastels or a combination, black felt tip marker optional, protractor

Choose **one** of the following color scheme options to use in your final artwork.

**Color Schemes:** Complementary: red & green, or yellow & purple, or orange & blue

Secondary: purple, green, orange

Primary: red, yellow, and blue

**Have fun using math to create your masterpiece!**
