²¹ Judgment does not state when it was reserved. From the earlier decision in [2008] NTSC 54 it would probably have been argued in about mid-2009 at the latest.

²² The judge gave his decision on 25/2/2015 at the conclusion of the hearing. It appears that it took him 9 months to provide his reasons.

²³ This date also is not recorded in the judgment. I know it was reserved on this date as I was counsel for the defendant in the matter.
