

Wheels of Time presents S.P. Lounge Car for your miniature SF Overland, Golden State, CoSF, Del Monte streamliners and more!

SP Lounge Car Class 83-L-1 built by Pullman-Std in Dec. 1949 as Lot 6806 Plan 7580

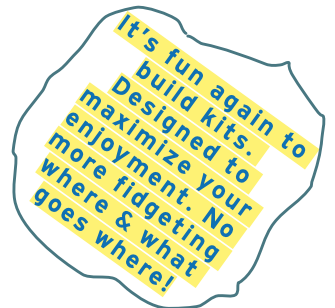

Original assignments:

2981, 2982, 2983 in The San Francisco Overland
2984 (ex-Golden View), 2985 (ex-Golden Outlook) in The Golden State
2986 in The City of San Francisco

Later assignment: 2982 in The Del Monte (1961-1971)

The Amtrak era:

2981 to Amtrak 3500; Under private ownership & available for charter
2982 to Amtrak 3501 (1972 in SP paint)
2984 to SP 215 (company service cars)
2985 to SP 218 (company service cars)
2986 to SP 216 (company service cars) to SP 289 City of Angels (business train use). Now 2986 is preserved @ the Durham Museum in Omaha NE in the original CoSF colors.

Wheels of Time precisely designed model kit includes:
