Dear Jr. Goof Passe "Voyageur":

You have just become a valuable member of a worthy organization called "La Societe des Quarante Hommes et Huit Chevaux", better known as the Forty & Eight. This organization is dedicated to our Veterans and the many programs it oversees & assists.

We are La Societe de Femme (The Society of Females). Any female can join as long as they are ages 18 & older, and must be affiliated with a Veteran. Our goal is to support your programs in any way we can. However, we can only do that if we have a hearty membership base.

This is where we ask for your much needed help! Please assist us by encouraging your wife, daughter, sister, mother, cousin, aunt, a friend, etc., to join us. Attached you will find a few applications.

Again, please help us grow. We assist you with the following programs: Americanism, Boxcar Association, Carville Star, Child Welfare, Nurses Scholarships, POW/MIA & Youth Sports. We are here to work hard to Aid the Voiture & serve our Veteran's, Community & Children. You can learn more about the 40/8 and the La Femmes by going to the Nationale website, [www.fortyandeight.org](http://www.fortyandeight.org)
